FRESH FLESH

"Electric flesh-arrows...traversing the body. A rainbow of color strikes the eyelids. A foam of music falls over the ears. It is the gong of the orgasm." (Anaïs Nin) Bang a gong with your *dong* for these *sexbombs*!

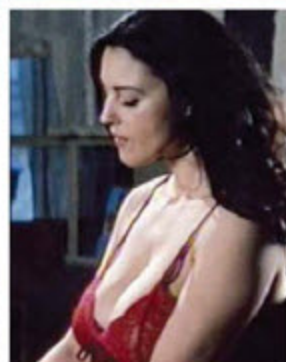

MONICA BELLUCCI

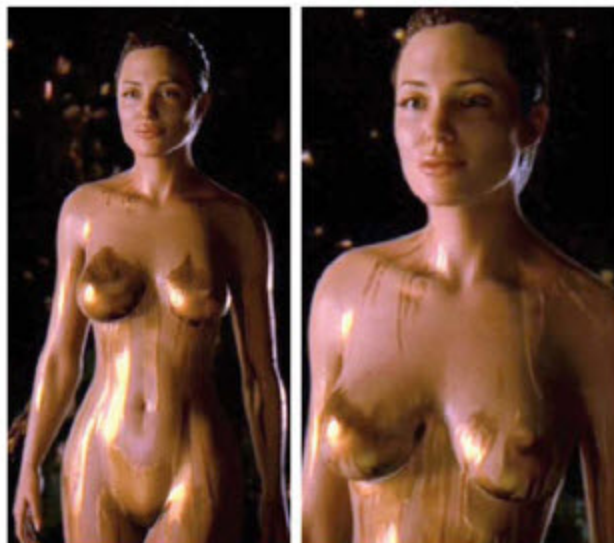

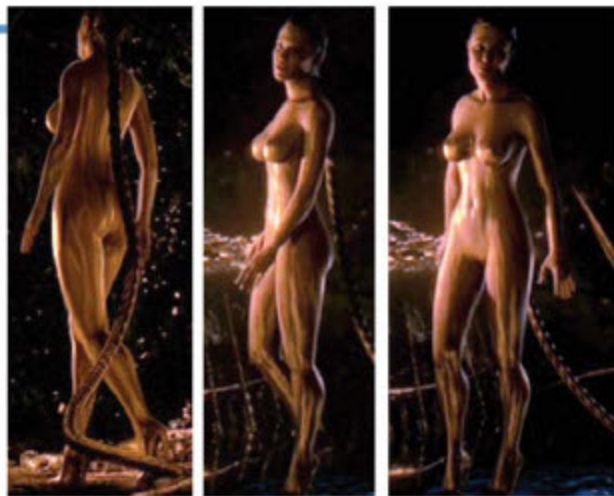

FROM HER LUSCIOUS LIPS: "As a woman I am so curious about prostitutes because of the idea that they know men better than you."

SEXY SIGHTINGS: *How Much Do You Love Me?* (2007, this page and opposite, top half) stars *Bella-coochie* as Daniela, a prostitute who gets a winning proposition: a man who's won the lottery offers her 100,000 Euros a month to live with him and *give him the honey* till the money runs out. The lucky dude gets 80 days of ecstasy out of this voracious Venus but, alas—once a whore, always a whore. He gets the *sweet sin*, but does he get under her succulent skin?

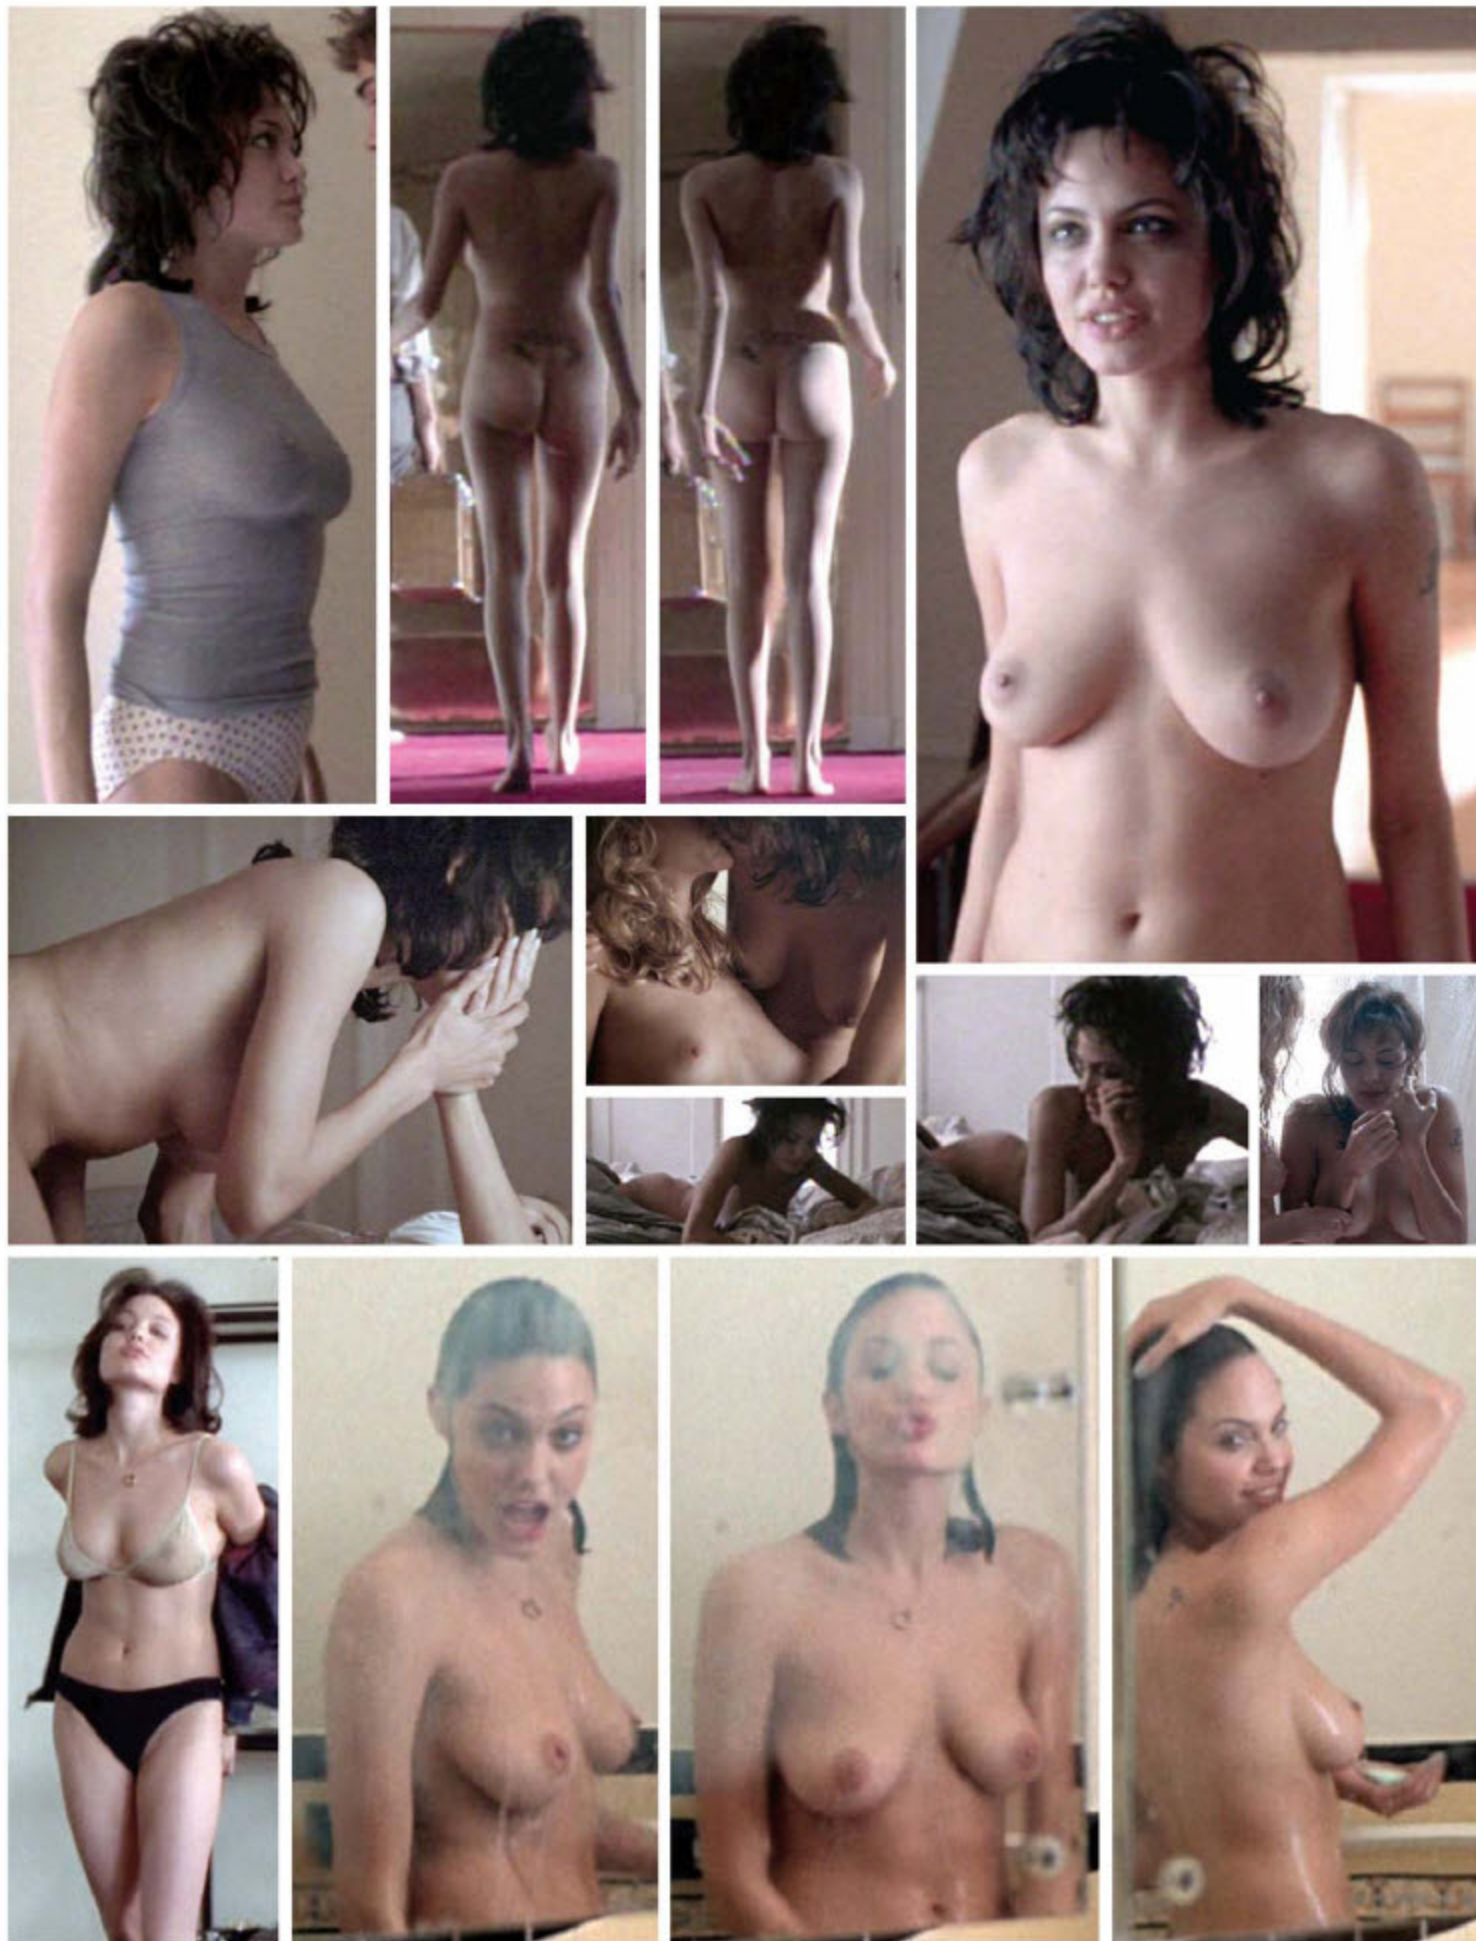

HOW MUCH DO YOU WANT MONICA?: *Vita Coi Figli* (1990, above) stars unabashedly erotic *Moan*-ica as Elda, and may make you think that "Vita coi figli" is Italian for, "I gotta give myself a *fist-feely* cuz this babe's gonna make me *nut!*"

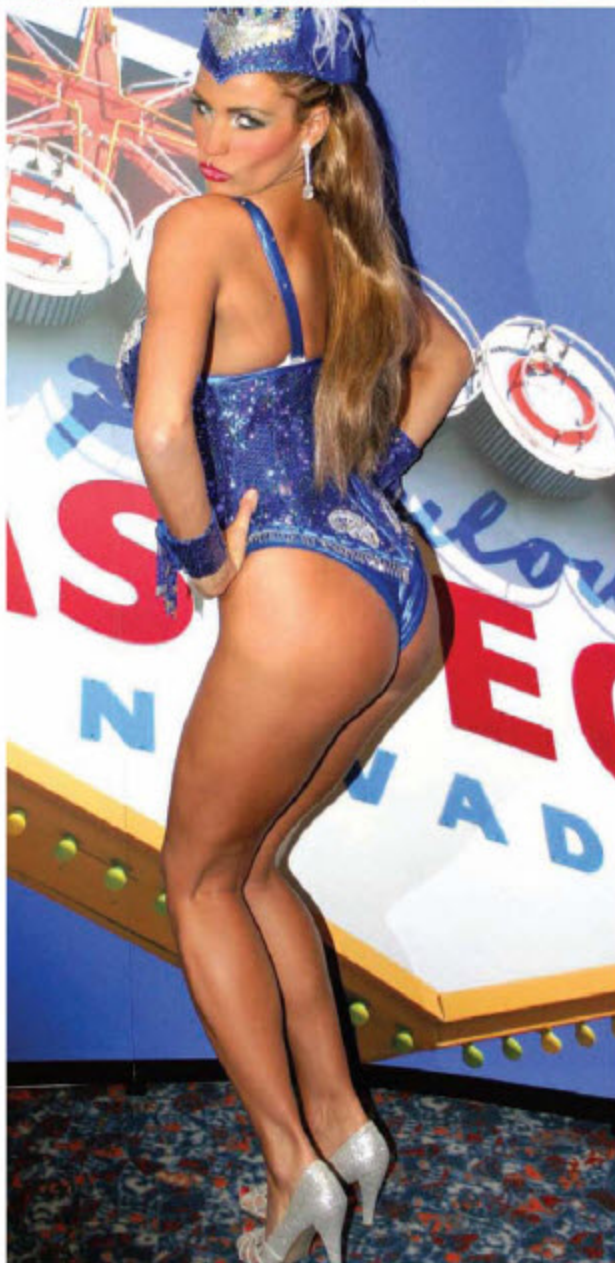

ANGELINA JOLIE

FROM HER HUGE LIPS: "I need more sex, okay? Before I die, I want to taste everyone in the world."

CAUGHT SEXY: On the big screen, Angelina as the parent of monstrous Grendel in the "CGI-for-horny-guys" epic *Beowulf* (2007, top right) proves that even when her boobs are cartoons—we still wanna suck on her round, low-slung *bazooms*! The public's been getting its *Jolles* from Angle's unveiled anatomy ever since her lady-lovin', nude-in-public, breakthrough *perv-formance* as bisexual supermodel Gia in the HBO biopic *Gia* (1998, opposite page, top & middle). Angle: *Please* adopt us—and feel free to *breastfeed*!

MAMA-LINA!: Angle unsheathed the *sex-sword* of Antonio Banderas in ero-epic *Original Sin* (2001, opposite, left), but check out her original *twins* here in rare, *rack-tastic* shower shots from the lust-inducing comedy *Mojave Moon* (1996, above).

KATIE PRICE (JORDAN)

FROM HER LIPS: "You can't beat sex outdoors, but there are not many places I haven't done it. Forests, barns, in swimming pool changing rooms, on top of hills—you name it."

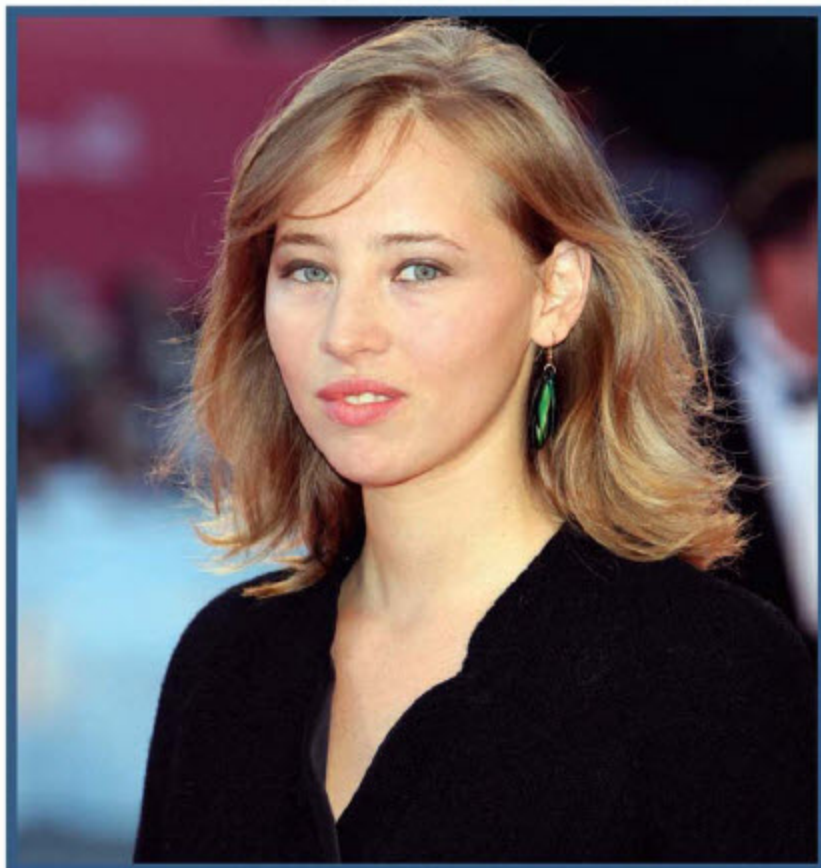

SEXY SIGHTINGS: Britain's mega-busty former "Page 3 Girl" is an *in-n-out* *sin*-dustry unto herself, having posed for countless pin-ups and covers, starred in her own reality TV show and, yes—she even writes books about her life, and they are *tit*-illating tell-alls! This sometimes-blond bombshell even ran for office under the slogan: "For a Bigger and Betta Future" Got tits on the brain? Good, because she promised her female voters free boob jobs! Atta girl!

ALI HUMISTON

SEXY SIGHTINGS: Next time you think about *forbidden*, *puffy-nippled* flesh, watch *Wilderness Survival for Girls* (2004, this page) and you'll think twice! Scarier than *To Catch a Predator*, the movie features 3 college-age cuties who decide to share a weekend of fun at a secluded, mountaintop cabin belonging to the parents of the nerdy member of the *prick-teasin' threesome*. Enter Ali as Kate, "the edgy alterna-girl" who's angry at the world, probably *not* coed material, *loves* to take her top off for *titty-tanning*—and swaps *sex-spit* with her *lezzie-in-training* galpal! Her pink hair, tramp-stamp and fat bag of weed make this doll a very *dangerous dick-tempter*!

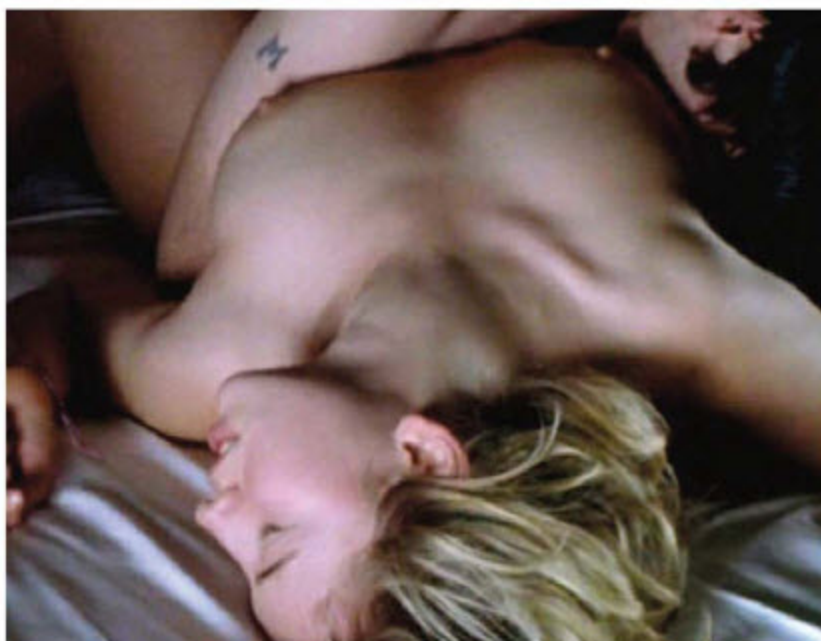

ISILD LE BESCO

BORN: November 22, 1982, Paris, France

SEXY SIGHTINGS: Lil' sis of Maïwenn Le Besco (another of our foreign-nudie faves!), Isild shares Maïwenn's exotic looks, bred by the Vietnamese blood in their *vixen-veins*. The Le Besco babes also rock some of the hottest *Euro-eros* flesh on screen today, boldly baring it all in scorching-hot sex scenes! *Backstage* (2005, spread) has the hauntingly oversexed woman/girl Isild as Lucie opposite another French f**k-fantasy, Emmanuelle Seigner, who plays Euro-pop Madonna knockoff, Lauren Waks. When fan Lucie meets her fame-fox idol, *groupie-groping* is heavy on the *puss-play-list*!

LE BEST BUTT-SCO: "One, two, three...*EAT ME!*" is what Lucie (Isild) would love to beg of her idol and *croissant-bumping* obsession, Lauren Waks (Seigner). First, though, she does what all groupie/gofers do—screws the boyfriend out of the way!

EMMANUELLE SEIGNER

REALLY ROCKIN' IT: She's the lead singer (Nico-style) of Ultra Orange & Emmanuelle. Rock out, c**k out to their "Sing Sing."

CAUGHT SEXY: Sultry siren Seigner is a ravishing rocker with big, natural knockers...which makes her pitch-'n'-pout-perfect for the role of pop/rock diva Lauren Waks in *Backstage* (2005, bottom left). Playing Lauren as a demanding power-puss cut from the mold of Madonna, Seigner seems to have it all, and have it all under wraps—until, that is, a *girly-goo-lovin'* lesbo groupie in-sin-uates herself and *Backstage* becomes an inferno of pent-up Sapphic sexual raunch and rage.... myspace.com/ultraorangeemmanuelle

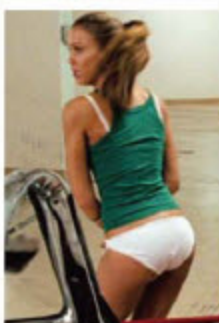

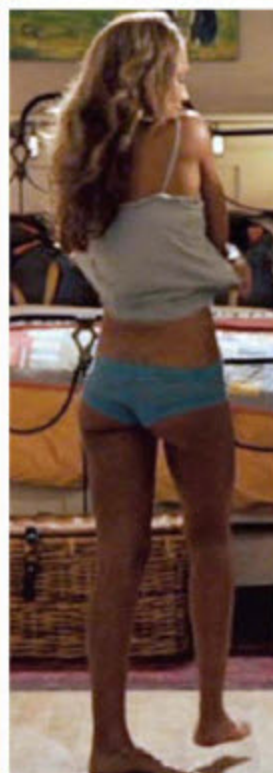

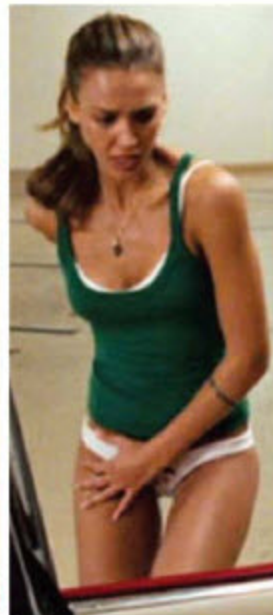

GOT MILK?: *Bitter Moon* (1992, opposite, top and right, & above) cautions any couple sailing to Istanbul to steer clear of French femmes fatales! Of Seigner as Mimi, her crippled husband says: "She's a mantrap! Look what she did to me!" *Gulp!*

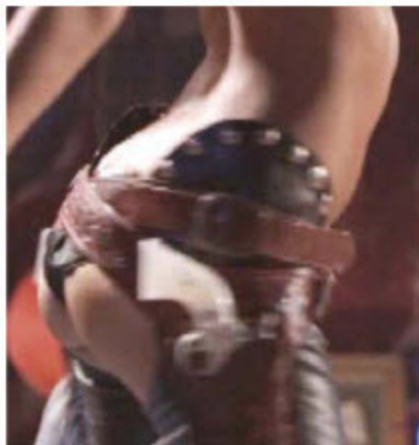

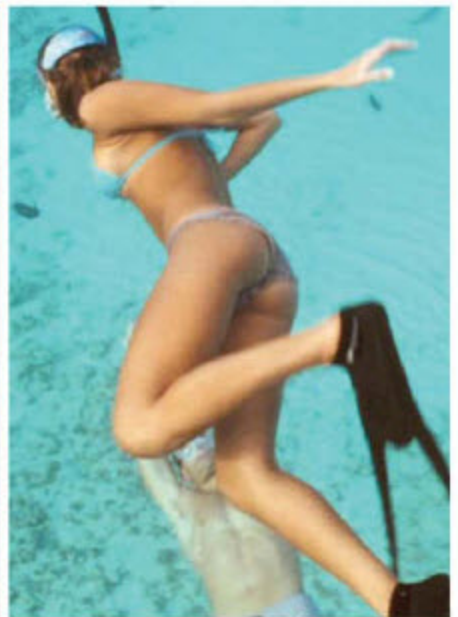

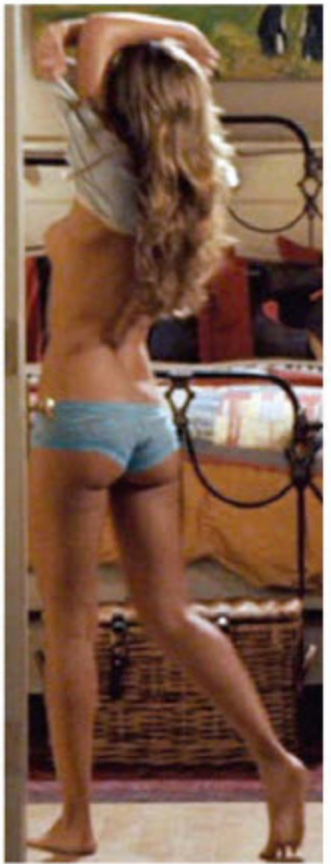

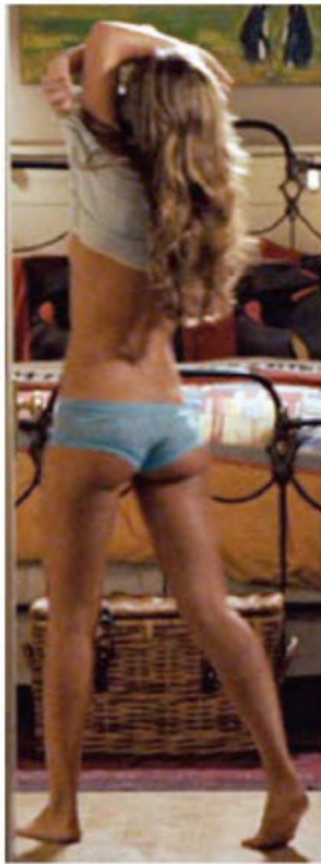

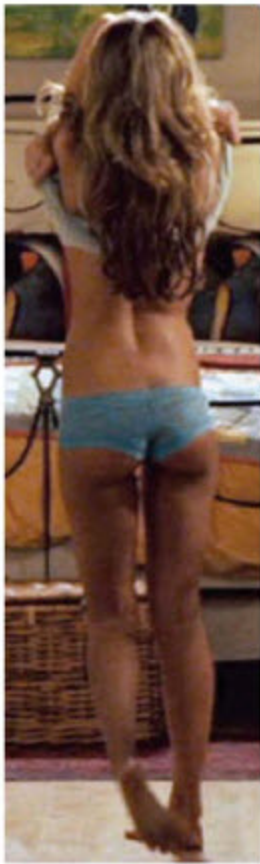

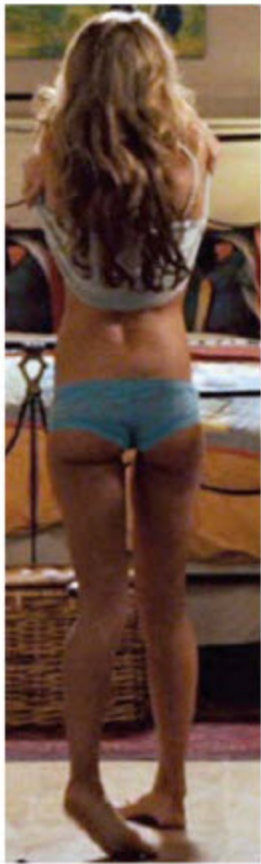

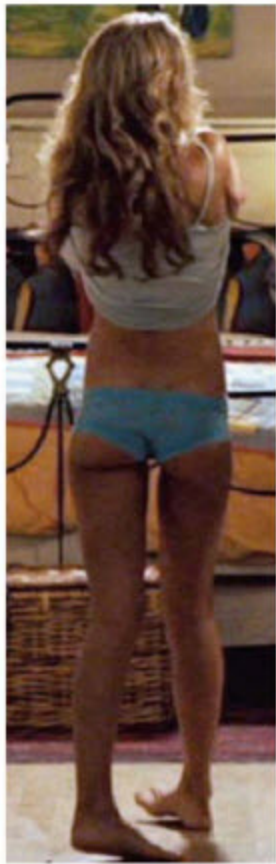

JESSICA ALBA

FROM HER LIPS: "I'm really good at being sarcastic with guys. That's the best way to hang out with them, because that's what guys like. They don't want the quiet, prissy little things."

SEXY SIGHTINGS: *Good Luck Chuck* (2007, this page and opposite, top) stars this *Lust*-tina in her funniest role yet. As klutzy-but-amazing-in-the-you-know-what-zy Cam, she's a seaquarium worker who's so into penguins, her puss-covering panties even sport one! Talk about keeping cool in *the hottest zone*! This fox-with-moxie visited strip clubs for research to play nubile Nancy in *Sin City* (2005, opposite bottom) but she wanted tips, not *titty-tips*!

WE WANNA UNDRESS JESS!: If you go diving (especially *muff-diving!*) and get into shizz with a drug lord, there's nothing like a lil' *bikini-Jess* to relieve stress! As Sam in *Into the Blue* (2005, middle) she's a fierce-a-licious Bahamas-mama!

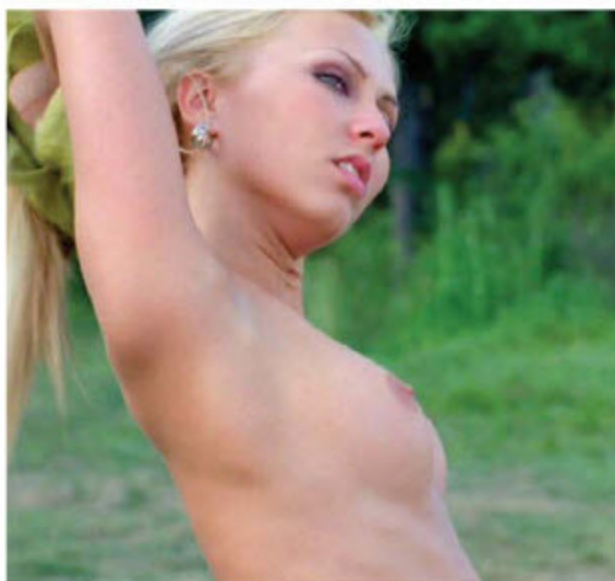

VJ KEWL

BORN: September 29, 1983, Haskovo, Bulgaria

SEXY SIGHTINGS: Drool for *tool-pleaser* Kewl like a crocodile'll do as she *topless-sunbathes* (WARNING: *COOZE-EATING CROCS* IN THE VICINITY, LADIES!) in *Lake Placid 2* (2007, all). Yes—it's the sequel to *Lake Placid*, just in case you're stoned while reading this. Some would have you believe this is "the worst sequel in the world," but at *Skin* we believe it's worth watching—if only for pumpin' one out while gettin' dirty ideas about *digging* VJ's *va-jay-jay*! You also get some chomped-off limbs and at least one beheading. We only hope VJ's *BJs* don't involve any *teeth*! Gentle with the tool, Kewl!

ZHASMINA TOSKOVA

SEXY SIGHTINGS: Get soaking wet in bed, Zhas—but stay outta the anything-but-placid waters of *Lake Placid 2* (2007, all)! We wish this *Euro-splash-tastic* blonde got our warning before dippin' her *dick-licious duo* in the deadly, croc-infested *agua*, but being blond—maybe she never stood a chance! Plus, any flick that features foxy hotties getting *nekkid* near a secluded *body-of-water-for-hot-bodies* is gonna punish those kids for gettin' crocked through...*death-by-croc*! **moviecynics.com** features a hilarious drinking game for this "crock of croc," so make some *Gator Brew* (tequila & Gatorade) and say 'bye-'bye to these sexy Gator-maids!

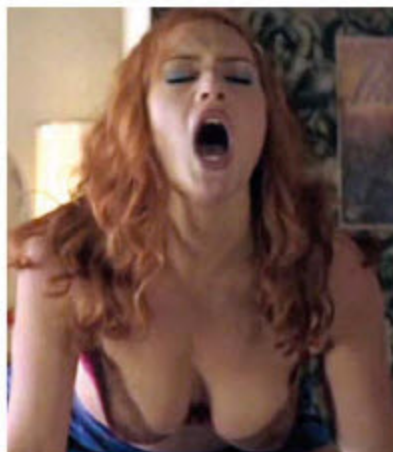

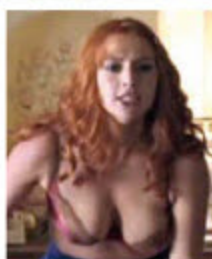

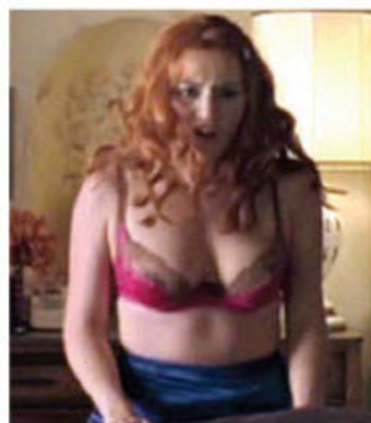

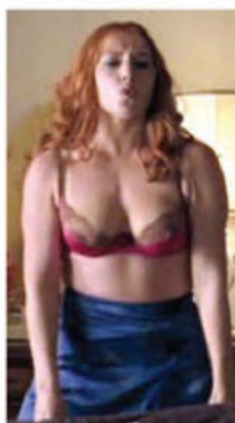

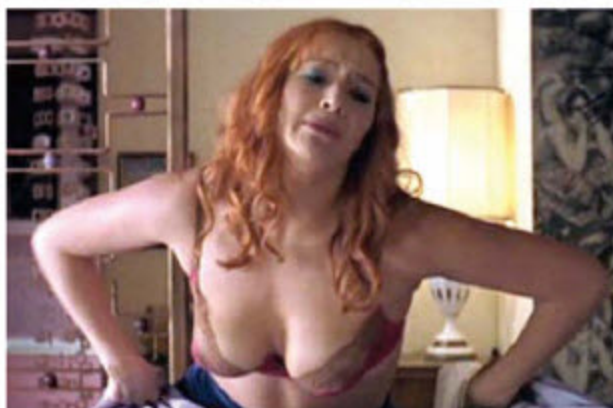

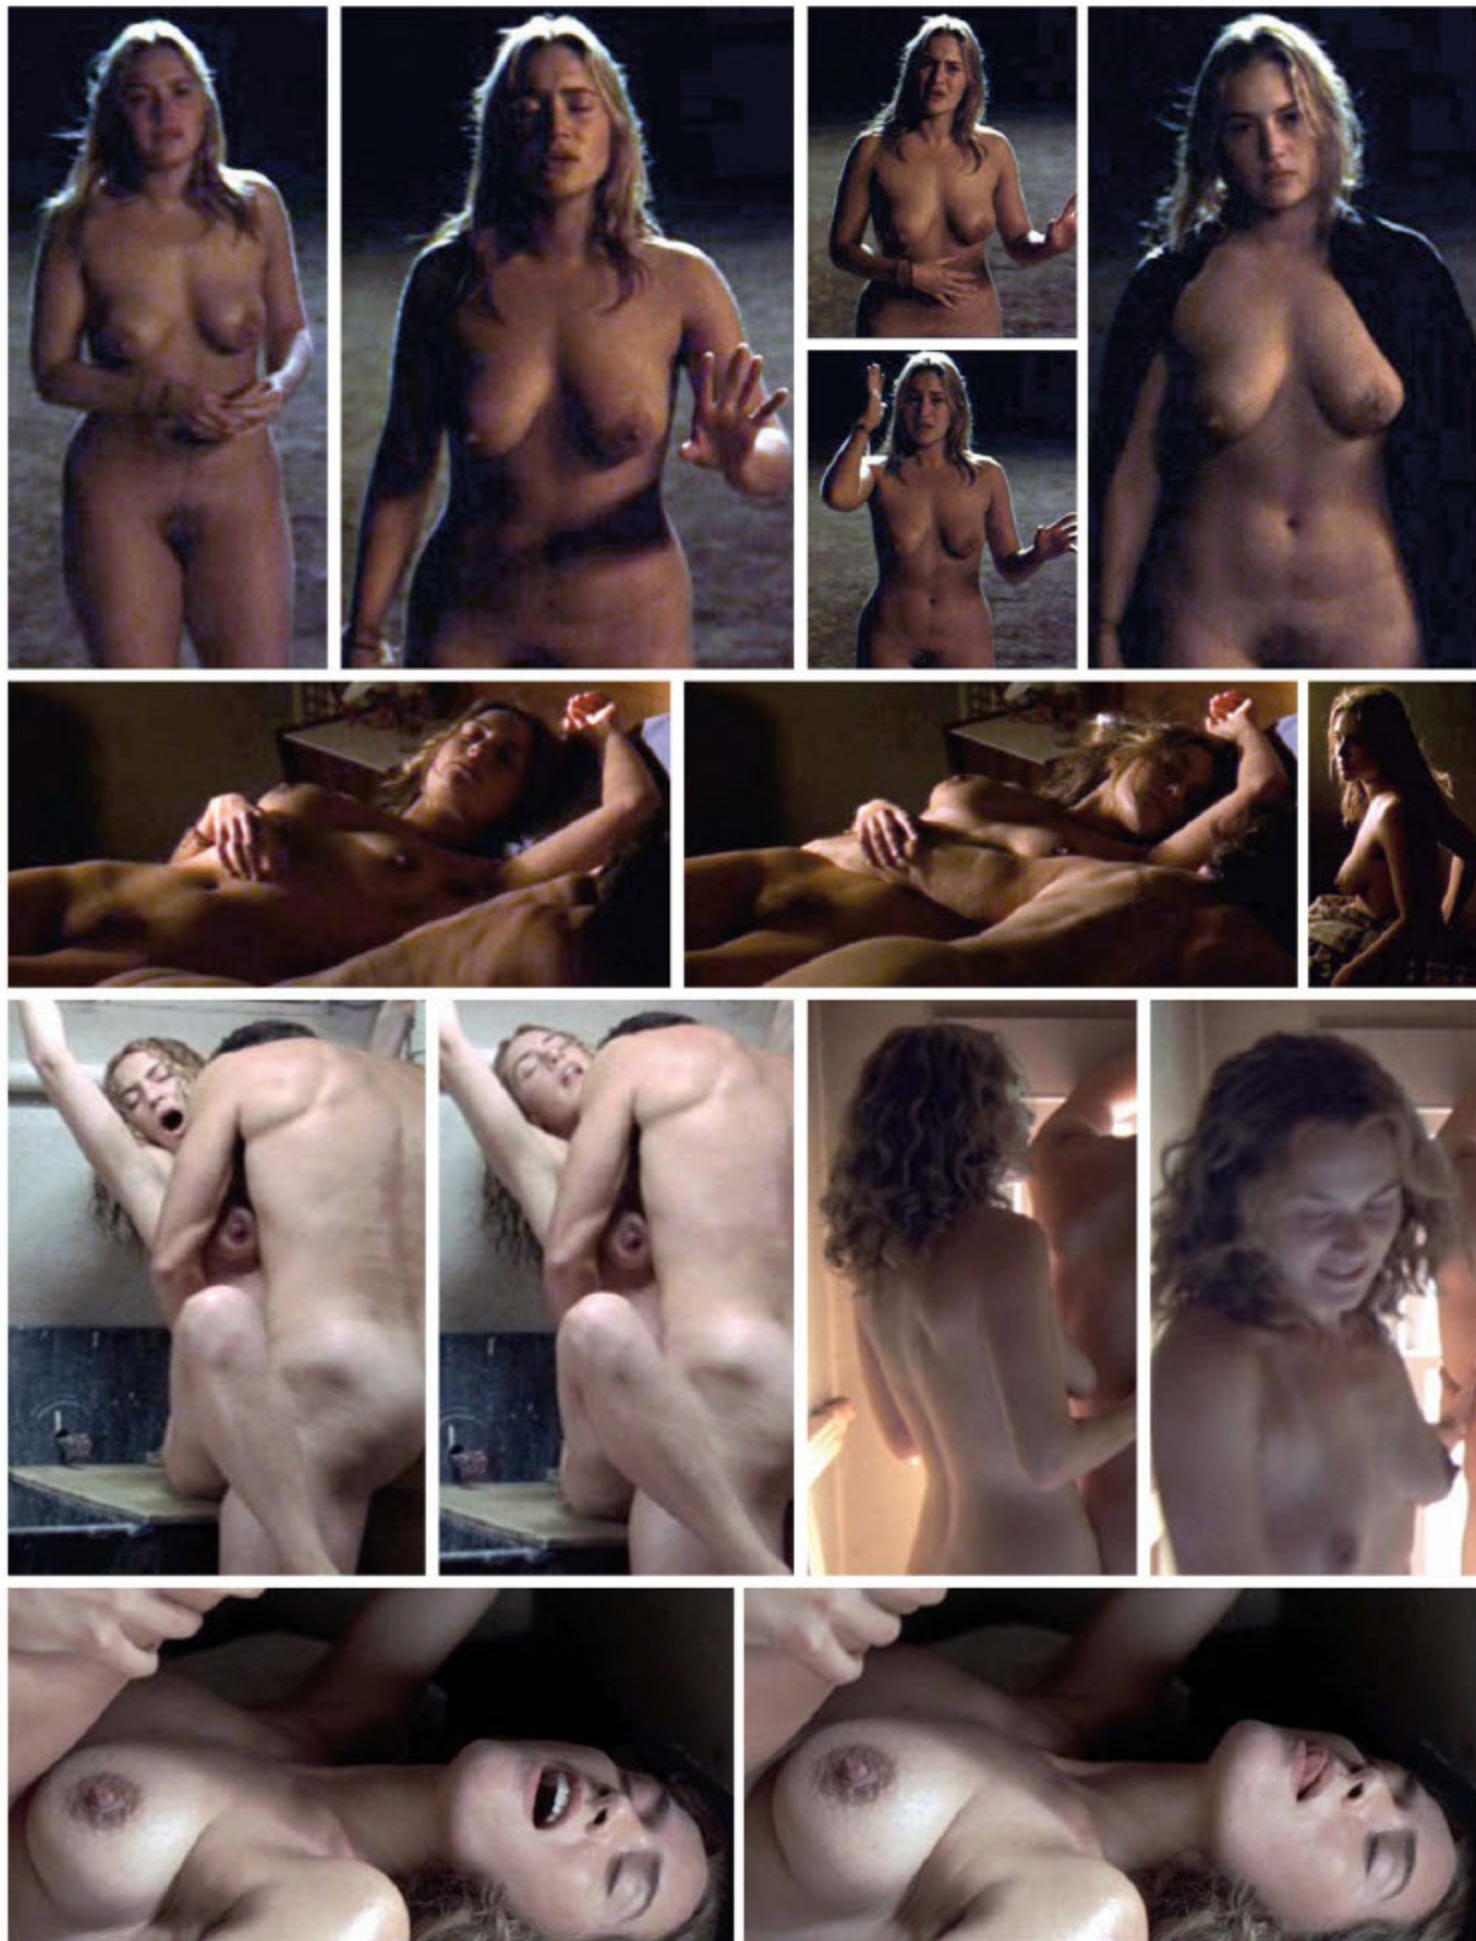

KATE WINSLET

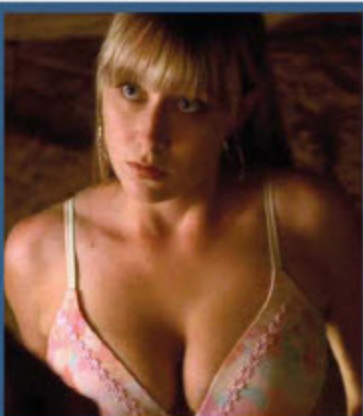

FROM HER ROSEBUD LIPS: "I like exposing myself. There's not an awful lot that embarrasses me. I'm the kind of actress that absolutely believes in exposing myself." (On doing nude scenes)

SEXY SIGHTINGS: Curve-a-luscious Kate is mouthwateringly mountable and wildly talented. From cultural phenom *Titanic* to *Holy Smoke* (1999, opposite, top), she's proudly sexy and never afraid to bare her bountiful, beautiful flesh. In a world of size-O actress/skeletons, all-woman Winslet's an hourglass-shaped sex-siren for our time! As Tula in *Romance & Cigarettes* (2005, this page), she wants *pushin' in her cooze-cushion*—and then a smoke!

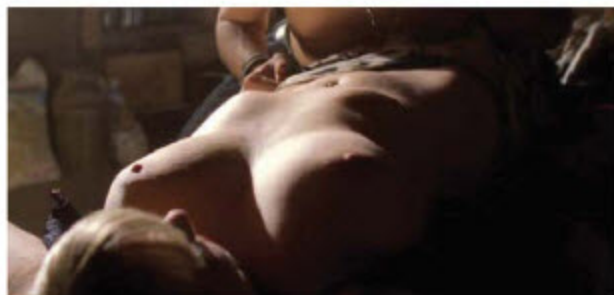

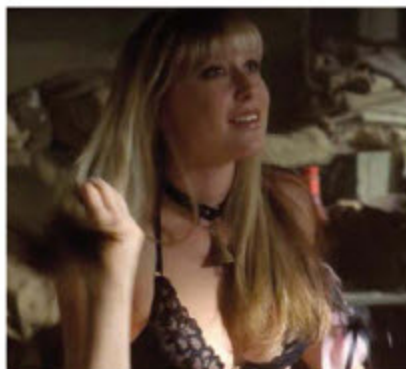

BIG BOOBS=EVEN BIGGER ORGASMS!: *Little Children* (2006, above) has Kate as Sarah, the ubiquitous lonely suburban housewife who rediscovers her *O-face*, in her laundry room...with the neighborhood house-husband! Areolas and adultery!

LINDSEY SCOTT

SEXY SIGHTINGS: As Julie in *Buried Alive* (2007, spread), Lindsey teaches *cum-ly* coeds worldwide a valuable lesson: If you are blond, hot, and you have big, squeezable boobs and an ass that's practically *begging* to be fondled and licked all night long—**DO NOT** engage in juvenile shenanigans, hijinks and guiltless, *ooey-gooey* sex in an abandoned house! If there's one thing we've learned here at *Skin*, it's that horny college kids should never, ever take a road trip to a "deserted cabin" to play adult-themed truth-or-dare, bare their belly piercings...and start *cummin' by candlelight* as soon as the sun sets. Desert demons don't dick around, dudes!

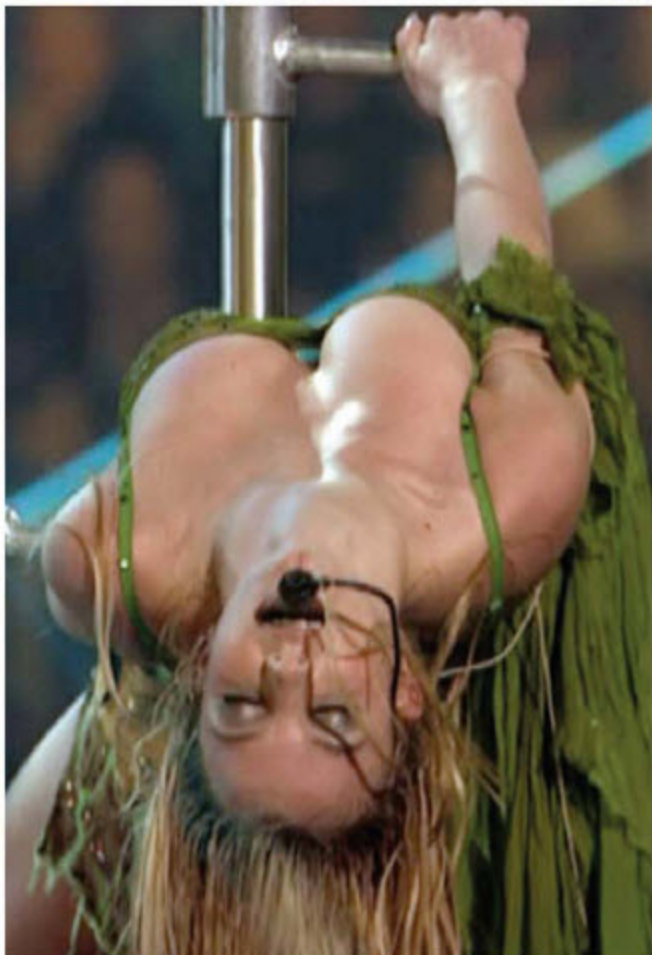

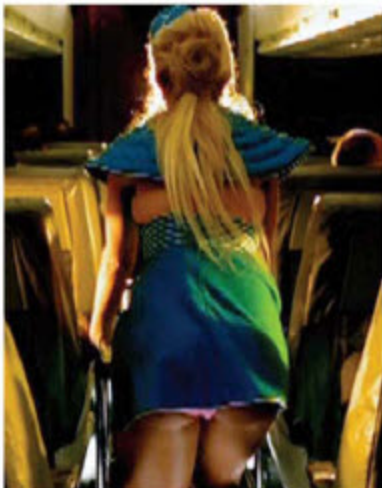

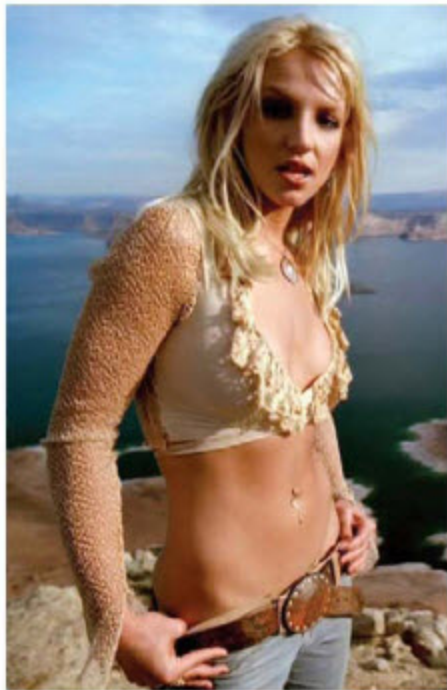

WETSPOT SCOTT: Wanna see *lovejugs* jiggling in peril? Get tight with a sorority *sex-slot* & her sisters. Take 'em out to Nowheresville. Get 'em high and play raunchy games. Then, unleash the undead...and feel your dong rise for open thighs!

BRITNEY: FOREVER OUR GIRL!

Every man's favorite all-American, tawny, legal-teen temptress has certainly changed over the years. One could argue that fame hasn't been kind to Britney Spears, but the more the media rakes her over the muck for her troubled exploits, the more we here, at *Skin*, find ourselves on *her* side. We remember the glory that was Brit-Brit in her pop-starlet prime...not a girl, not yet a woman, but tantalizing in every carnal incarnation of unabashed, amazing sexuality. That's why we want "our" Britney back—the Britney who went from schoolgirl sultriness to wearing nothing but diamonds and glittering like Erotica personified. We wish her well!

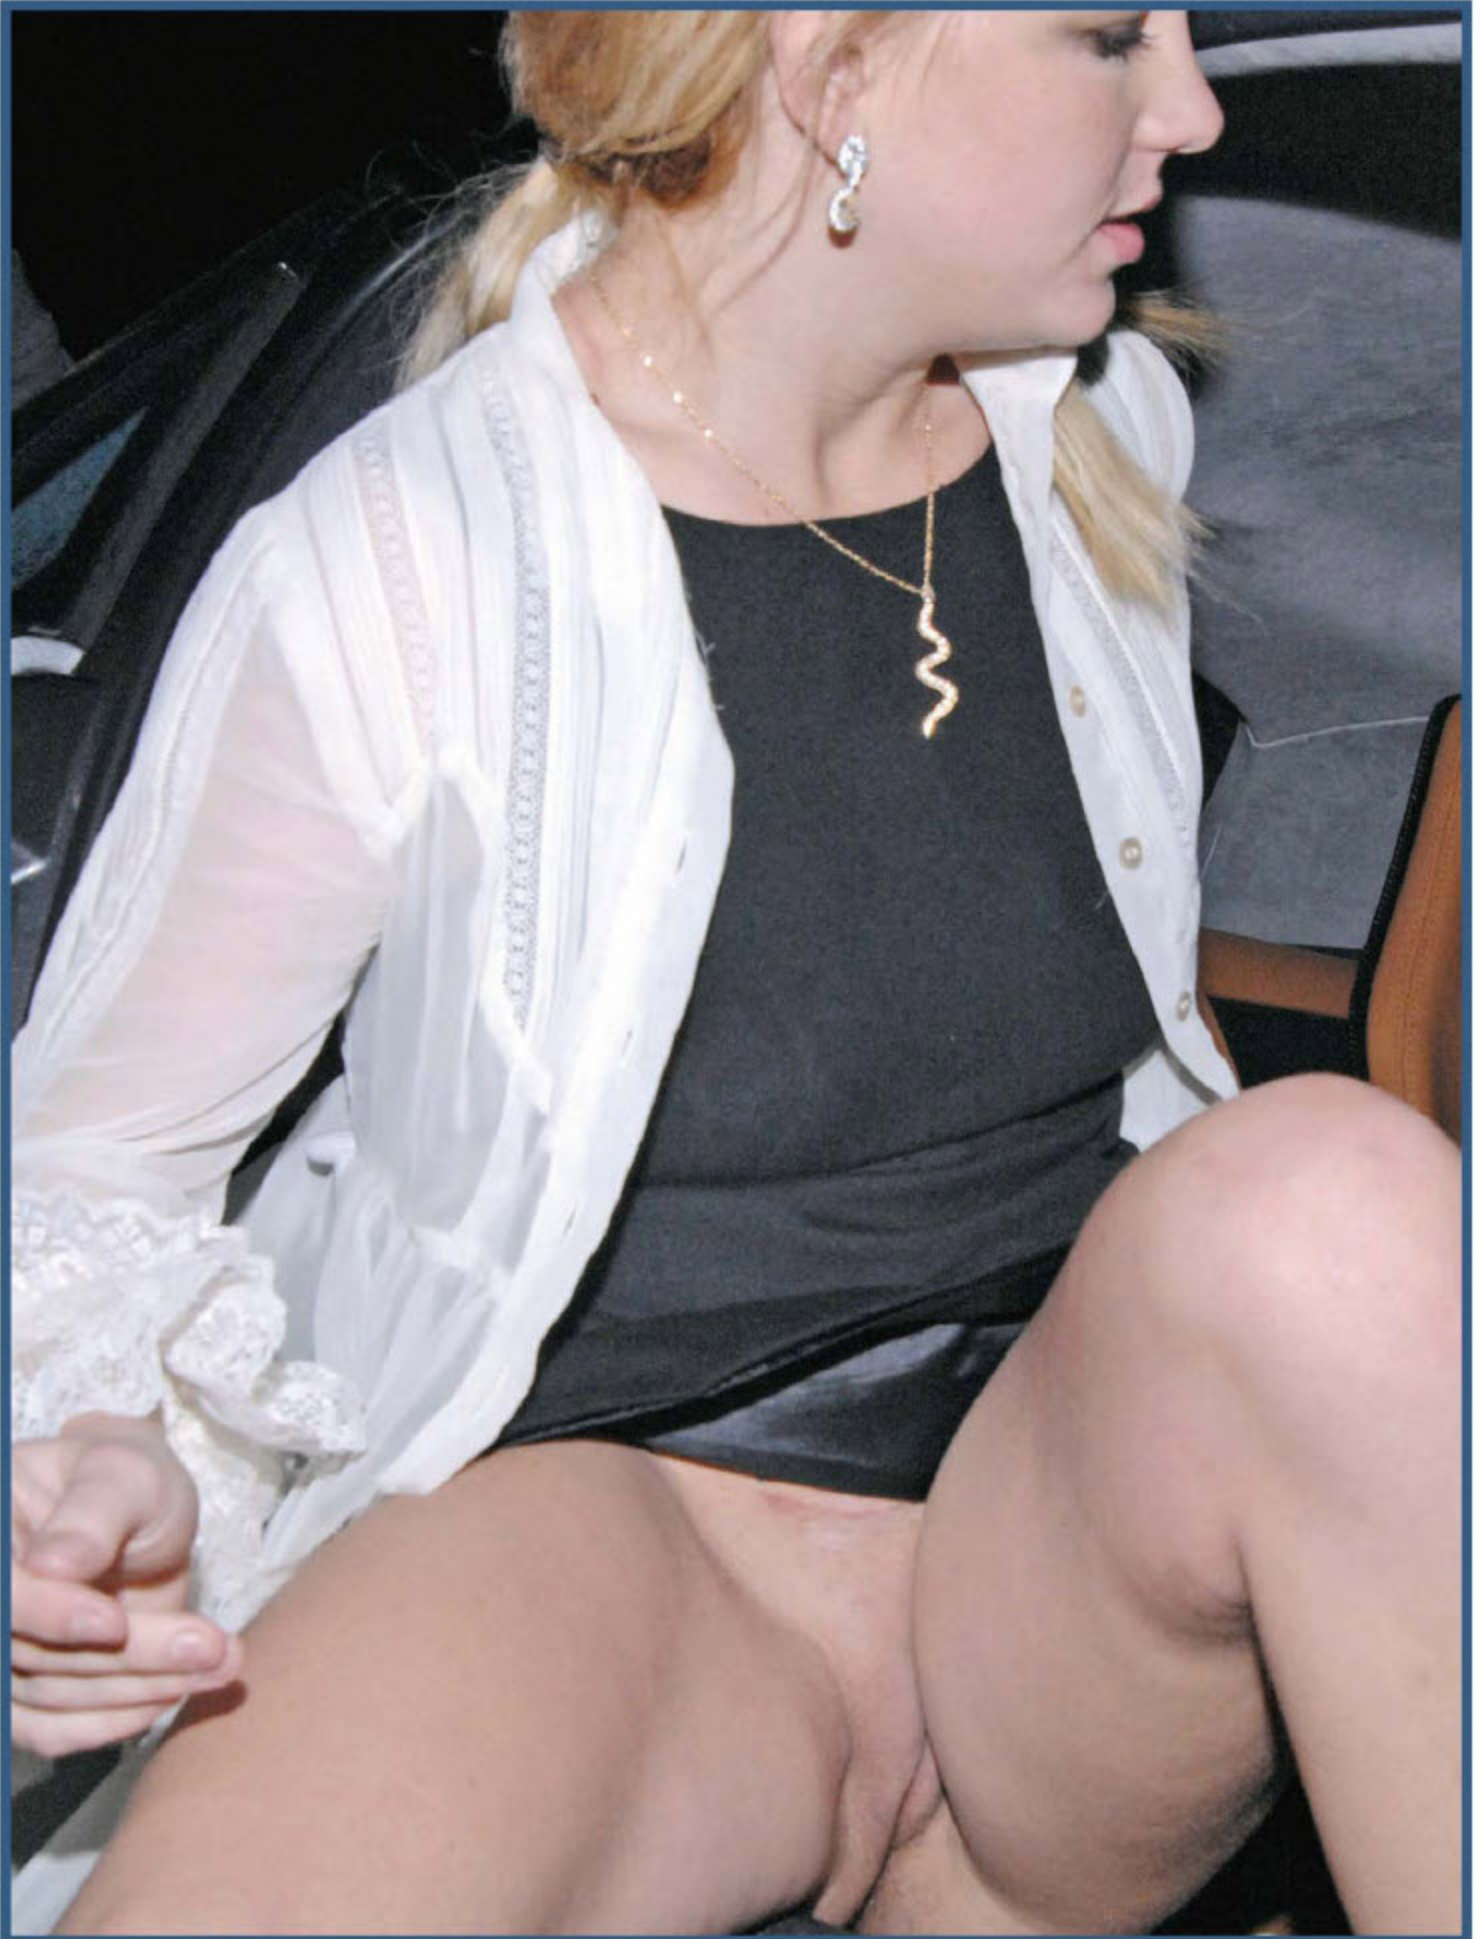

WE WANT OUR BRITNEY BACK!

HER PREROGATIVE & PLUSH POP-STERIOR! *Britney Spears Greatest Hits: My Prerogative* (2004, previous) marked a sea change in the way we perceive Brit and—more important—the way she chooses to be seen. Covering a Bobby Brown hit's a good-girl-gone-bad way to transition from pop sweetheart to "Toxic" T&A troublemaker!

WE WANT OUR BRITNEY BACK!

IN THE BONE ZONE: Brit's falling-star descent, treated like a global event, began with shots like these, as the young mama tried to live *her* life, on *her* terms, despite nonstop media glare. Above, exiting a limo to party with co-*badgirls* Paris Hilton and Lindsay Lohan, Britney pulled an "Oops!...And Did It Again." Totally *Splay-otic*!

RIE RASMUSSEN

BORN: February 14, 1976, Copenhagen, Denmark

SEXY SIGHTINGS: This admitted bisexual will make you feel *highly sexual* watching her in Luc Besson's arty fantasy, *Angel-A* (2005, right)! Rie plays the title character in this B&W thriller that screens like an edgy, erotic farce lensed by porn-as-art photographer Helmut Newton. With her endless legs, air-of-Aryan perfection and striking, platinum-blond hair, Rie lights up the screen like a perfectly cut diamond as a hotter-than-fire mystery vixen who helps an inept con man get game...and caress her *gorgeous gams*! The con only has one arm, but you'll need *two hands* for *rubbin' the rod* to Rie!

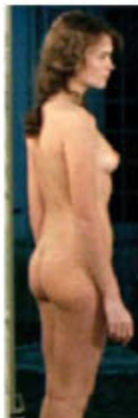

RIE-SEXUAL RUBDOWN: She wore a \$10 million diamond snake for *lickin'-n'-lappin'* with Rebecca Romijn in *Femme Fatale* (2002, above). Says Romijn: "I saw her at clubs, and the way she hit on girls...if she was a man, she'd be in jail!"

MARINA HANDS

FROM HER LIPS: "...I go and do something, and then I don't even know what the time is. I'm very passionate...."

SEXY SIGHTINGS: Whip out your *John Thomas* for muff-'n'-mounds Marina in the French film adaptation of D.H. Lawrence's notorious novel, *Lady Chatterley* (2008, spread). Plot? Since her hubby can't get it up, a classy piece o' cooze looks to their swarthy, swearin', well-hung gamekeeper for rolls in the hay that make her Chatter-box feel a-ok! This is, after all, the book that drove many a sexually pent-up maiden to "grinnin' while droppin' her linen!" Marina does this merrily—after 6 weeks of explicit rehearsals!

ALL HANDS ON DICK! *The L.A. Times* calls this "the most frankly sensual movie in memory." Constance (Marina) & her lower-class gamekeeper go back to nature—and make the beast with 2 backs all over it! Get sensual with yer *flesh-frank!*

WOMEN WHO ROCK

The inimitable guitar god (and apparent inspiration for pirates!) Keith Richards calls rock 'n' roll: "Music for the neck downwards." Which is precisely *where* these raw-beautied, bold talents *cum* in very *hand-y!*

RIHANNA

FROM HER LIPS: "I'm only 19! My mother would *kill* me if I posed nude!"

CAUGHT SEXY: This self-proclaimed "good girl gone bad" has the *goodies*—no matter *how* she behaves! She's used her *creamy Caribbean Queen* qualifications to grab a Grammy, as well as the attentions of some of the most powerful pirates to ever dig for *big booty* in Celebrity Land. This spicy, cinnamon-kissed cutie's put her *Barbadian bumper* & sun-baked *blouse-bumps* to work for Jay-Z, Diddy, and—most recently—R&B newcomer Chris Brown...while the *rest* of us chickens sadly have to make our own "jerk sauce!"

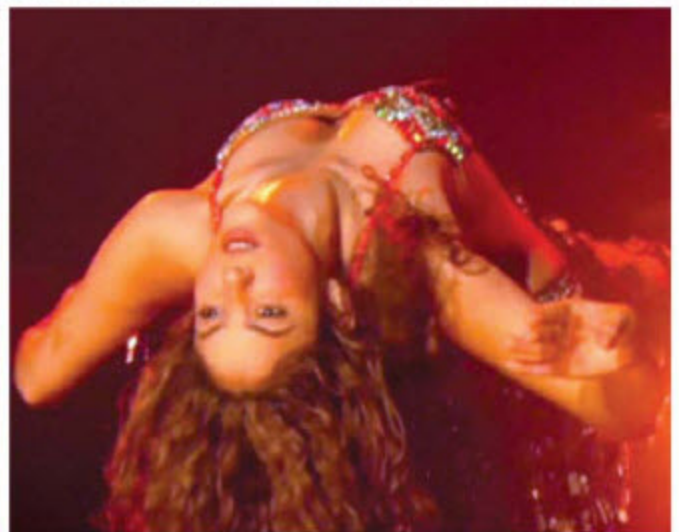

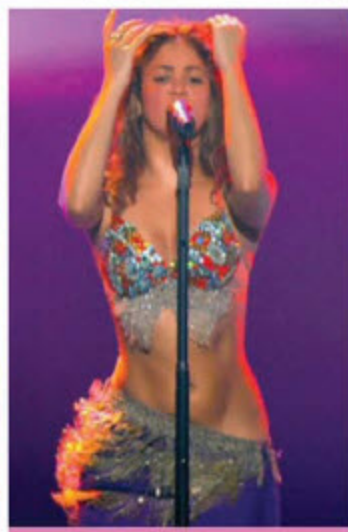

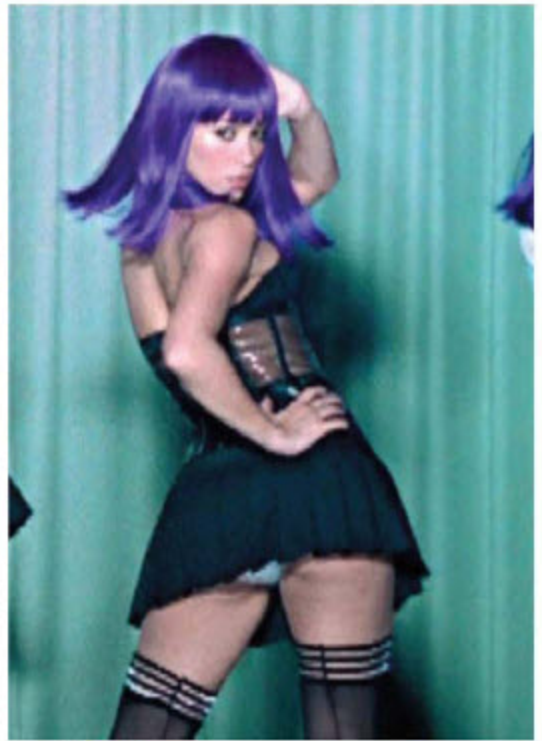

REAR-HANNA: The gossip mill says Rihanna celebrated her 20th b-day by having a cupcake fight with boytoy Chris Brown. If she were *ours*, we'd take this tawny, tiger-eyed "Umbrella" hit-machine someplace *special*: under our "cummin' fella-ella!"

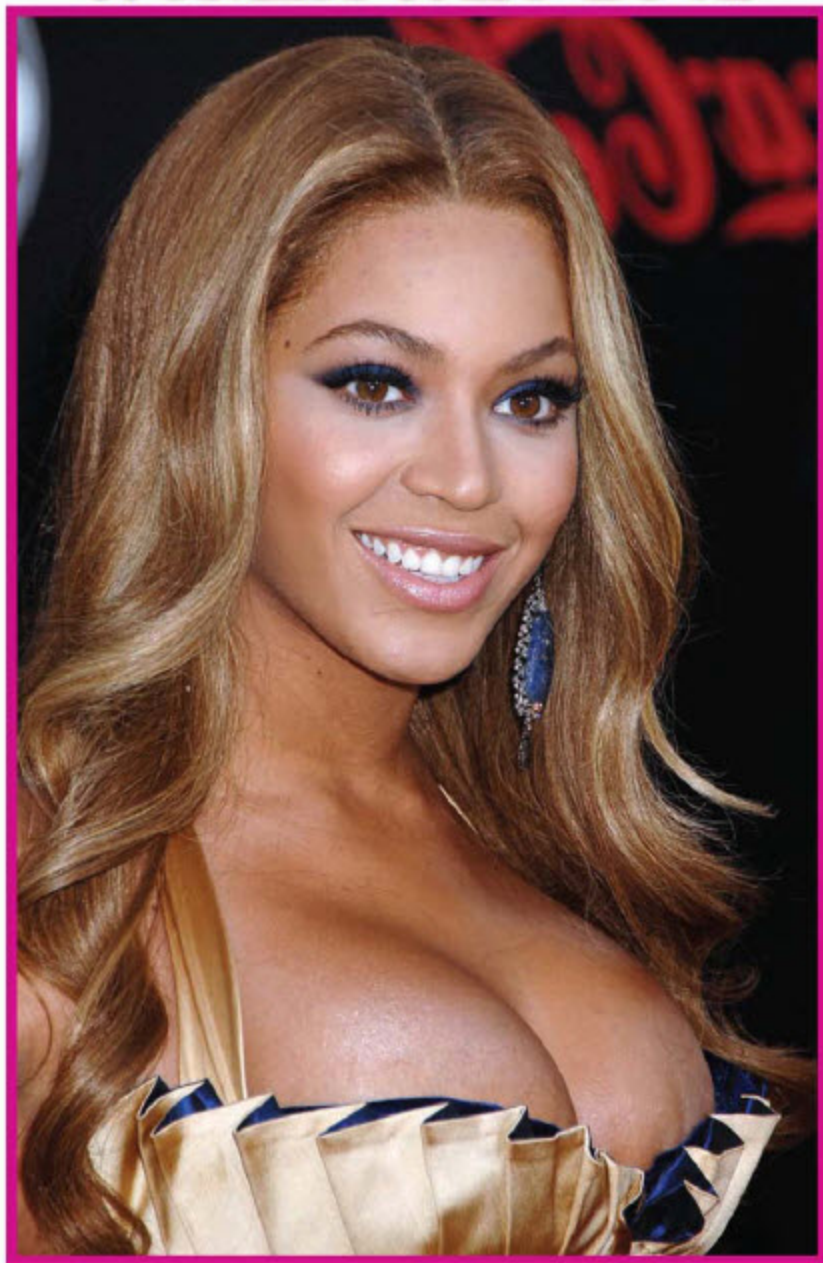

SHAKIRA

ALL WOMAN: "Earlier I tried not to show my stomach, because I thought it wasn't perfect and I would have seemed fat. I would have died! But that does not bother me anymore. Like my dad says, there is nothing more beautiful than some meat on the bones."

HIPS DON'T LIE!: Her name is Arabic for "grateful" or "full of grace"—perfect, because *we're* grateful for the way this smart Colombian spitfire's brought belly-dancing into contemporary dance culture with her graceful, gyrating "G-zone!" The minute she undulates like a carnal cobra, our *sex-snakes* wanna *bone* to her dulcet tones! If this is "La Tortura," we'll take her rough stuff, *stiff!*

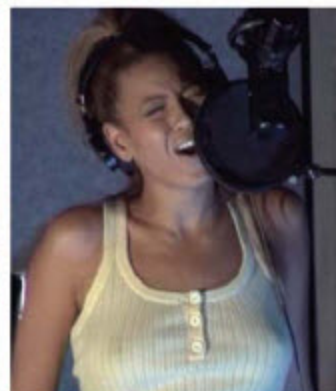

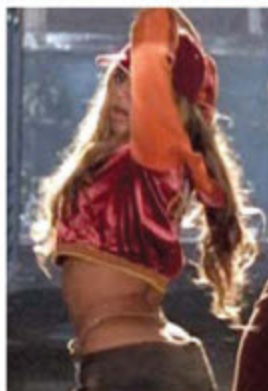

SHAKE-IRA THAT ASS!: *Shakira: Live and Off the Record* (2004) & *Shakira: Laundry Service* *Washed and Dried* (2002) are fleshy feasts if you crave a lil' Lebanese (she's half) *tool-tease*! She openly touts her "oral fixation"...we say, "Open wide!"

BEYONCÉ

FLESH FACT: Her dress fell off while shooting "Crazy in Love!"

BOOTYLUSCIOUS: How hot is this "Irreplaceable" & *fiercely* foxy spitfire songbird? When she performed in Indonesia—the world's most populous Muslim country—she was *NOT* asked to cover up her *caramel complexities*! We can't thank this *man-pleasa* diva enough for coining the term "Bootylicious"—it's the perfect moniker for her very own lightly browned, *abundant mounds* of *jiggly buttcheek joy*! Her woman-in-heat-unleashed video for her booty-droppin'-hot hit, "Crazy in Love" (2003, this page) makes us wanna give Ms. Knowles a few *rolls in the hay*! "Naughty Girl!"

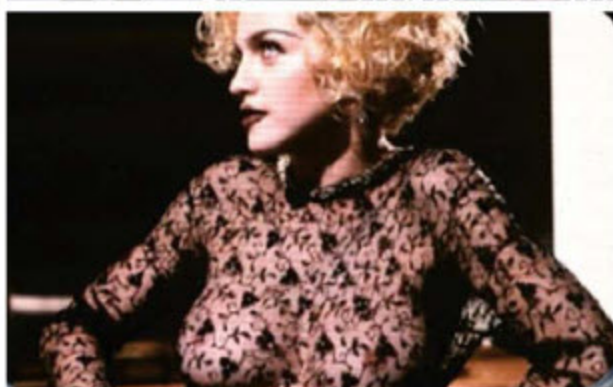

WET-DREAMGIRL: If you really got the feva for her fine, long-lasting flava, invest in *Beyoncé - B'Day Anthology Video Album* (2007, above). Showing off her "Kitty Kat" in her "Freakum Dress," she'll make you wanna "Ring the Alarm" for hours!

MADONNA

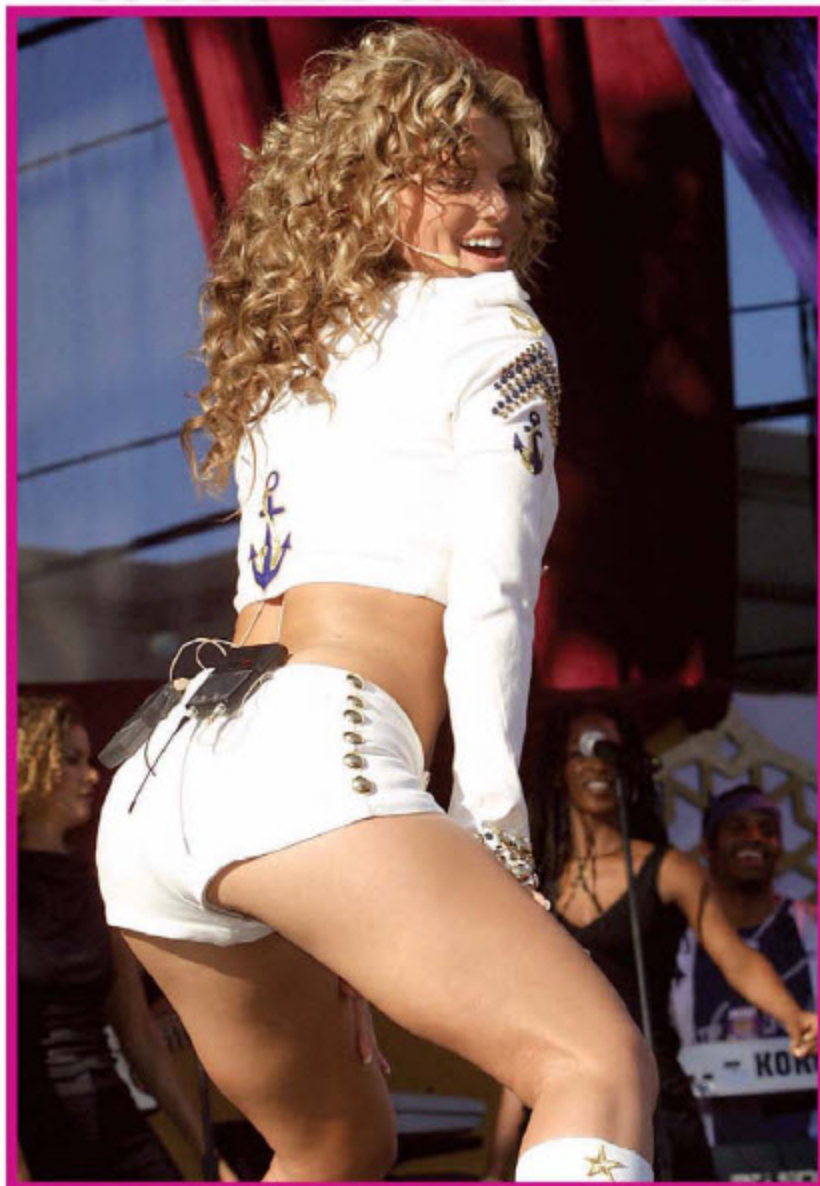

FROM THE LEGEND'S LIPS: "I am my own work of art."

SEX PERSONIFIED: She's *The Queen Diva of Pop*, but you should also *kneel* before her as *The Serene Highness of Sex!* Melding all the sex symbols who reigned over *ramrods* before her time, she's invented—and tirelessly reinvented—herself as the ultimate sex siren, exploring mating rituals every which way...and often *loose!* Her husband's pointless remake of *Swept Away* (2002, middle right) got swept away with the dropped popcorn in theaters, but revisiting *The Immaculate Collection* (1990, top & bottom left) will remind you that "Madge" has the "*Vogue-est*" vag of all time!

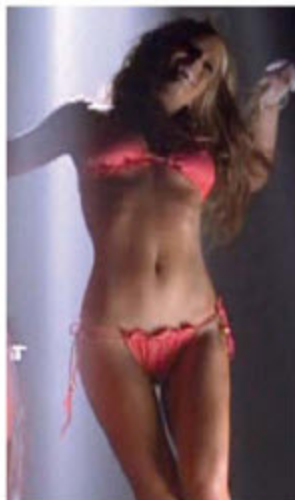

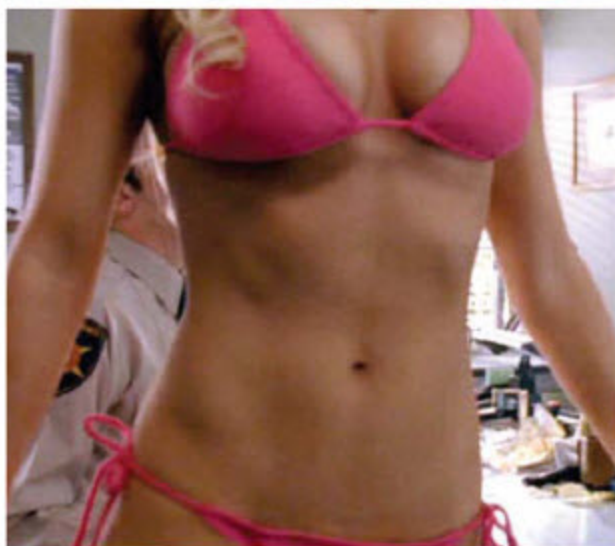

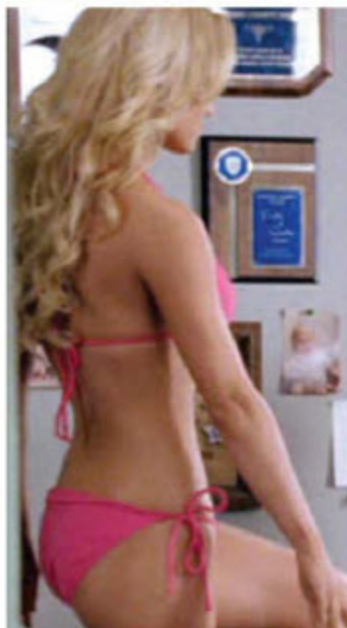

ANYTHING BUT "LIKE A VIRGIN!": *Body of Evidence* (1993, above) pairs M with Willem Dafoe (*The Last Temptation of Christ*, redux!) as a kinky f**k-machine accused of murder-by-puss. Madonna "Improvised" her masturbation scene!

JESSICA SIMPSON

TEXAS TEASE: "I'm too hard to be in love with," laments *super-stacked* singer Jess. "It ends up on the cover of every magazine." Such intense scrutiny was certainly the case with her ill-fated marriage to Nick Lachey, which played out/*burned out* on MTV on the 2003-2005 reality show *Newlyweds: Nick and Jessica*. At the end of her *boob-tube* run, Jess brought her (2) *enormous* "talents" to the movies in *The Dukes of Hazzard* (2005, right). Jess gushed: "I did have fun playing up the sex appeal of Daisy Duke because she's a smart woman and she definitely knows how to use her body!" Well, the latter *ass-tit-bute* certainly applies to Miss Simpson!

CHRISTINA AGUILERA

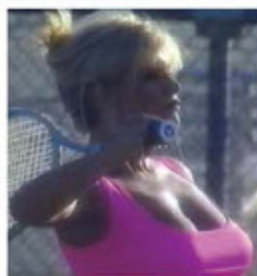

X-TINA!: "We're so labeled," decries pop diva Christina of society's attitudes toward the erotic. "If you're too sexual, you're slutty. If you're not sexual enough, you're a prude. What's your problem with it?" Open-mindedness is natural for the daring doll who also confessed, "I must admit that the idea of two women getting it on does do it for me." Now a mama, babymakin' *definitely* boosted her brazen bust, but however settled Christina seems today, we know she's still, somehow, the wildchild who slipped pierced nipp on *MTV Diary* (top right) & exposed her soul raw in the 2004 concert special *Christina Aguilera: Stripped Live in the UK*. *Dirrty*, indeed!

SAMANTHA FOX

FROM HER SAUCY LIPS: "But I can't keep saying, 'Maybe,' or denying it. It's time to let people know where my heart is. People keep trying to say I'm a lesbian. I don't know what I am."

36DD BEAUTY!: She came to fame in the UK as *The Sun* newspaper's most popular topless Page 3 Girl of all time, and went on to sing some cheap-'n'-hot dance hits in the Eighties that widened her exposure and made men the world over fall head over ballsack for this *very top-heavy honey-bunned honey!* "Touch Me (I Want Your Body)" remains, to this day, her biggest hit—a song that made every dude who heard it want to suck on her *huge tits!*

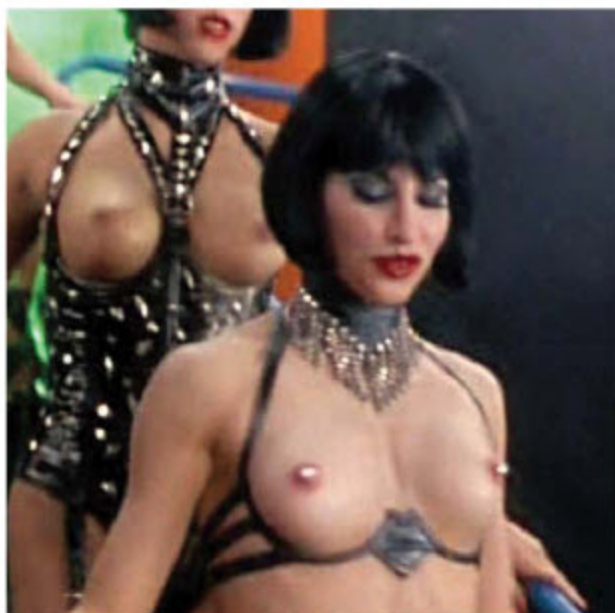

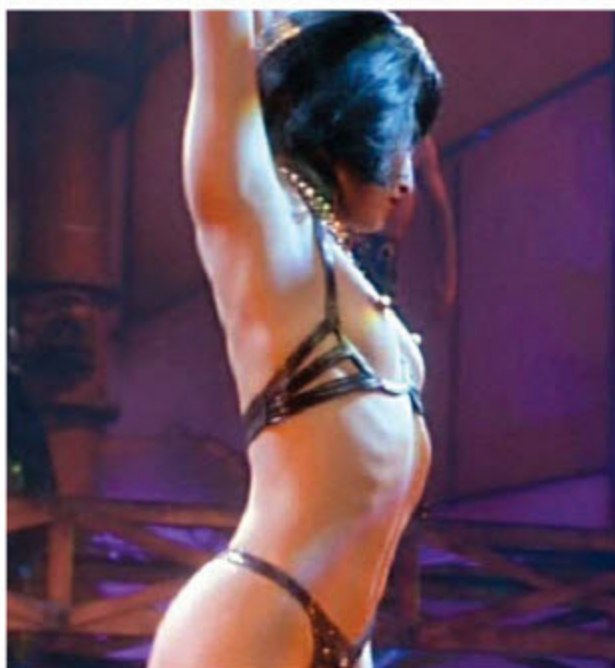

FLESHY FOX FOR CKS:** Sam's working-class background, wholesomely naughty beauty, bubbly personality—and mega-jugs on a short body—made her the *sex-excess suck-cess* of a generation. *This* naughty girl needed love...& wanted knob!

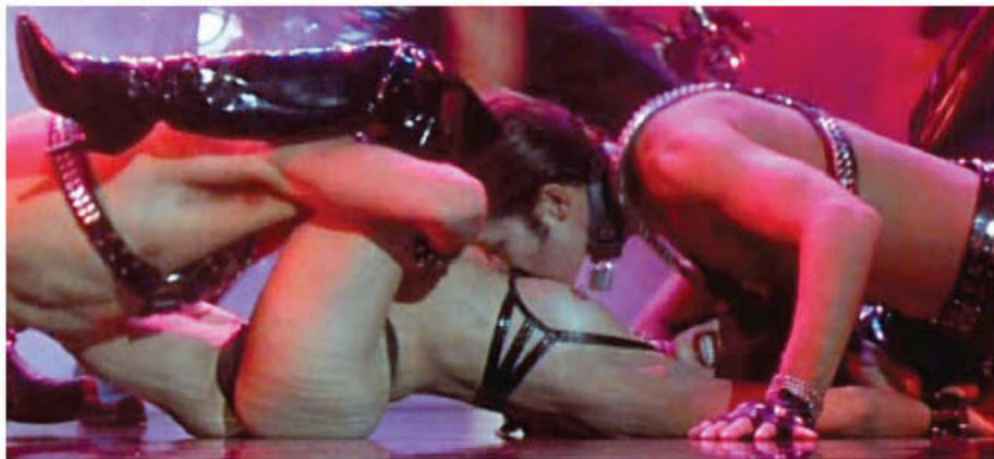

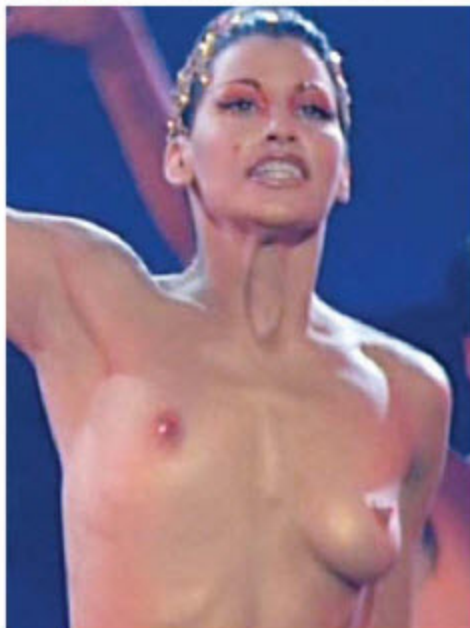

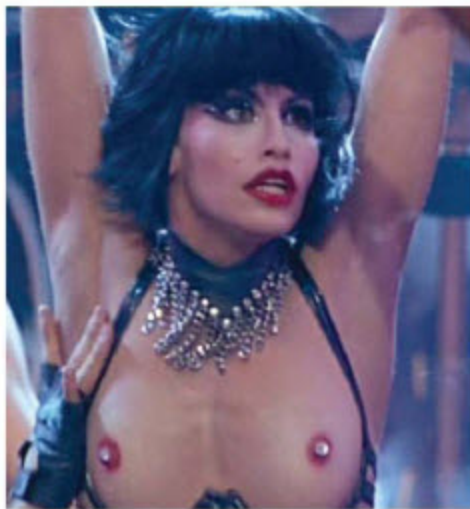

GINA GERSHON

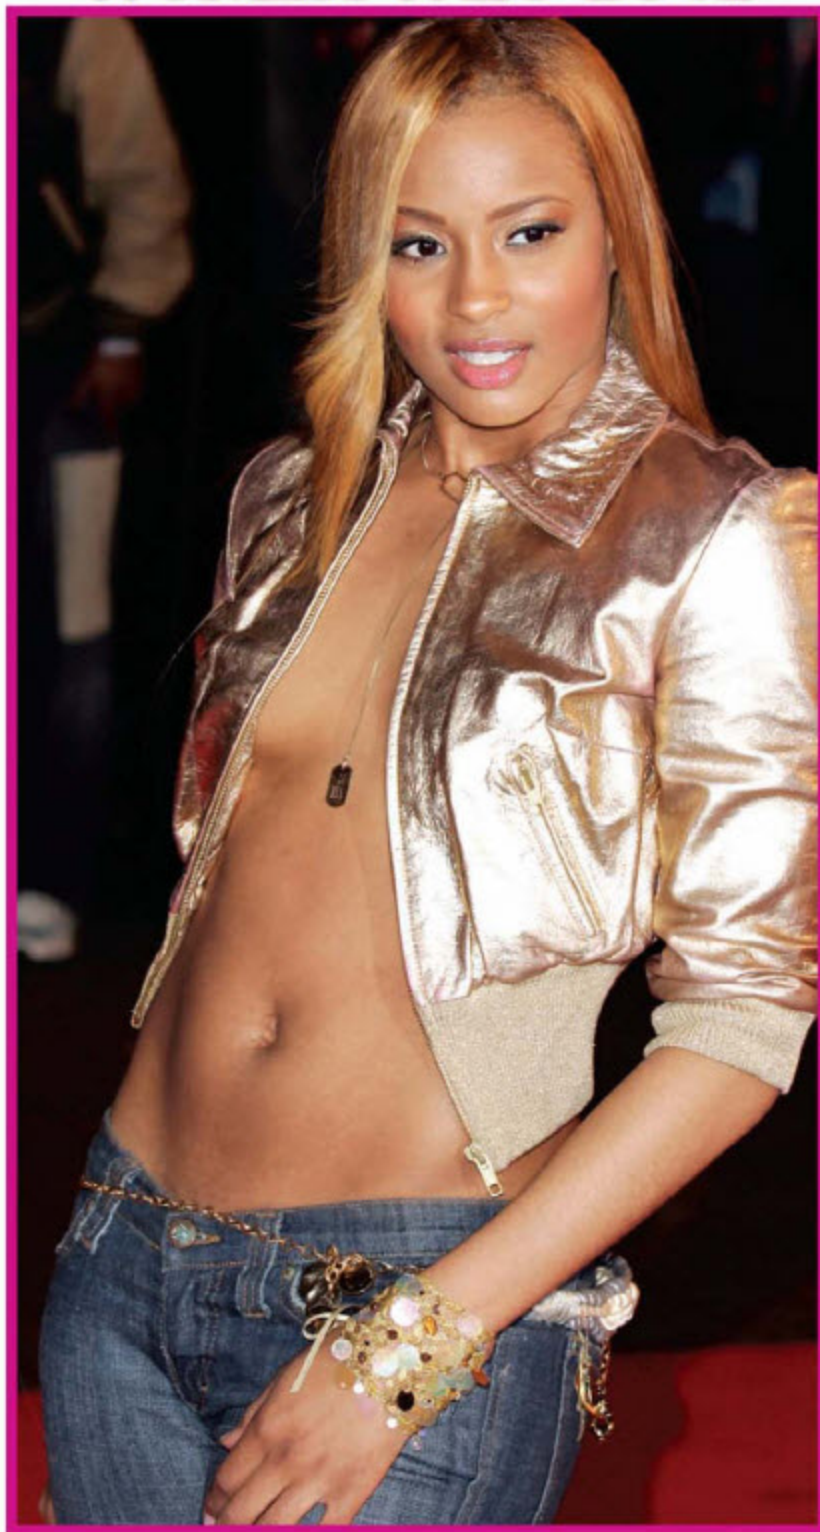

FROM HER FERAL, LUSCIOUS LIPS: "C'mon, dude—chicks do not need to be in a band to get laid." (Gina as Jacki in *Prey for Rock & Roll*)

SEX SIREN: We fell in lust with her as Cristal Connors in the camp masturbation-piece, *Showgirls* (1995, this page, right, & opposite), and find her even sexier, ballsier, rawer and edgier in *Prey for Rock & Roll* (2003, above and below). Gal-of-all-tit-illating-trades Gina sings her own vocals live and took ax lessons from none other than Joan Jett. As Jacki, the bisexual, inked fronter of punk chick-band Clam Dandy, she gets ya rock-hard and randy for bearded clam!

GUSH FOR GERSHON: Along with vixen Drea de Matteo, Gina strums some wild *gee-tar* in Clam Dandy for *Prey*—a *tits-on-the-bar* portrayal of rocker babes. Toothy Gina cowrote many of the flick's hard-hittin' songs with rock goddess Linda Perry.

CIARA

Texas-born R&B princess Ciara boasts singin' & *struttin'-skillz* as big as her home state, and a natural sex appeal hotter than its climate. A hard-bodied cinnamon sweetie of Creole, German and Irish descent, she debuted on the charts at naughty-is-nice 19 in 2004 with the #1-er "Goodies," and seeing Ciara belt out the record's hit single gave male fans *woodies*! She followed up in 2006, droppin' the still-sizzlin' *Ciara: The Evolution*. Only 22, she credits show biz with her hustle, *booty-bustle* and *foxy flow*. "Being in this industry makes you develop more quickly than a typical [person] would. You mature faster." She sure has—in all the best *pole-pleasin'* places!

JULIETTE LEWIS

LIP SERVICE: "The prototype for a female is that they're desirable, pretty to look at, predictable and safe. That's why my music is so important to me—because it's the antithesis of that."

CAUGHT SEXY: She's driven her down-'n'-dirty band, Juliette & The Licks, to critical and pop success above & beyond the norm for typical celeb side projects. This gutsy gal prowls the stage carnivorously, exuding pungent *earthwoman* lust! Juliette junkies *jizz* for her unconventional, aggressive allure. Witness her *dirty-dancin'* in *Romeo Is Bleeding* (1993, bottom left)! She presciently played a rock chick in sci-fi cult pic *Strange Days* (1995, opposite).

LICKS IT UP!: In trippy western *Renegade* (2004, opposite page, right), raunchy-raw Juliette boldly bares her bad-girl bod! Original title? *Blueberry*, so watch when Juliette spreads 'em and shows off her very hairy pink-berry! It's to muffedive for!

Cecilia

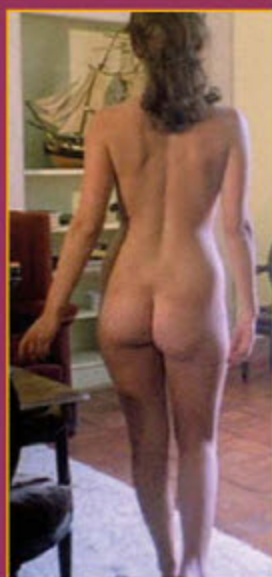

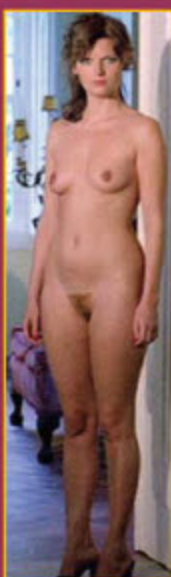

A.k.a. *Diary of a Desperate Housewife* or *Sexual Aberrations of a Housewife*, *Cecilia* (1982, spread) involves a French wife who makes the desperate domestic divas of TV's *Wisteria Lane* look like pent-up prudes! The incomparably sensual, brown-nippled Muriel Montossé is Cecilia, a rich bitch who has it all—especially in the T&A departments! She flaunts her sex-flesh in front of her hired help till a savage violation turns her into an *all-clit* sordid swinger!

Taunting her chauffeur by stripping and masturbating in the back of her limo is only one of the ways in which cruelly carnal Cecilia dangles her *dick-delights* in front of her sexed-up staff. Their revenge? A gang-bang that unleashes Cecilia's *bud-pudding*...& *nymphomania*!

Cecilia

Post deep-dick-a-thon, Cecilia's pink-lipped lust orchid opens wide!
From do-me queen to labia-licker in biracial orgies, she wants it all!

ARM CANDY

"Wham, bam—thank you, Pam!" has been 'gasm-gasped by many a rocker in the throes of pud-pounding ecstasy! From grouple-gold Pamela Des Barres to Pam Anderson, no rock star's life's complete without a *boob-a-ful* piece of Arm Candy!

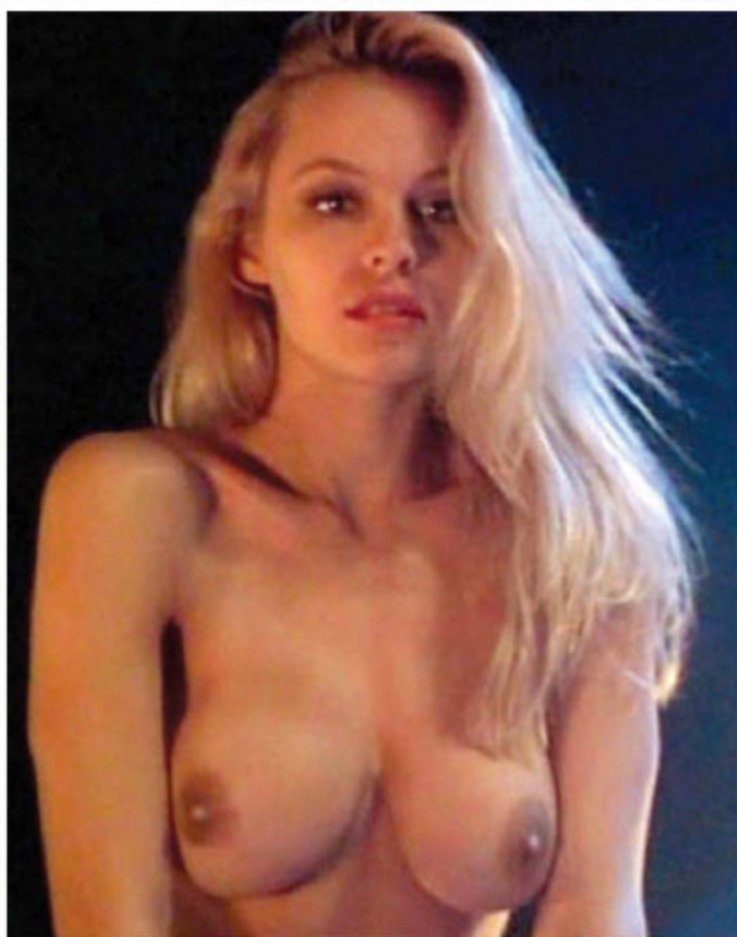

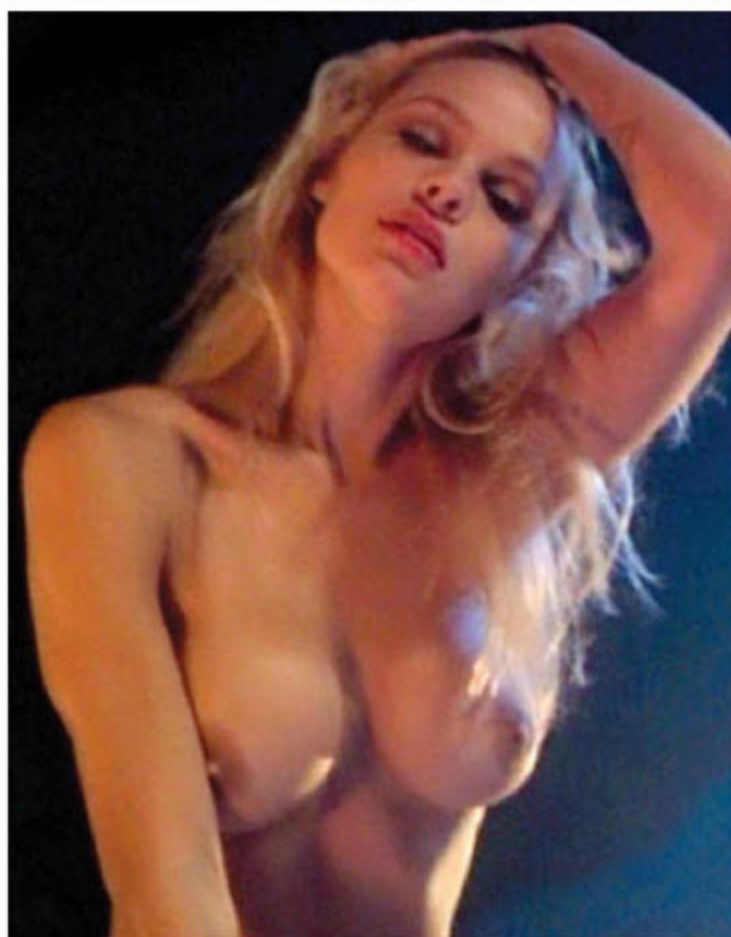

PAMELA ANDERSON

BORN: July 1, 1967, Ladysmith, British Columbia, Canada

CAUGHT SEXY: Pam's officially back on the market this year, her back-breaking boobs no worse for the wear, so what better time to *titty-toast* her: America's favorite piece of Canuck carnality and the celebrity sex-tape seductress to end (and *deep-throat!*) 'em all! Pam's rambunctious, Playboy-bunny pedigree's led her down the *ass-up* path of becoming the *ultimate* arm candy! Today, her *bomb-tastic* bod's a virtual T&A travelogue of Hollywood's baddest asses (and assholes!) who *came...*and went: Tommy Lee, Bret Michaels, Kid Rock, Rick Salomon, Ben Affleck, Scott Baio—and Stallone!

CANS-DERSON: *Barb Wire* (1996, opposite, right, & this page, top left) and *Naked Souls* (1995, opposite, bottom left, & this page, top right and above) star Pam, respectively, as Barb Wire & Britt, showing off her sex-skills & Canadian Mound-ies!

TERA PATRICK

BOOBS AND BRAINS!: Tera holds a degree in microbiology!
CAUGHT SEXY: As one of adult's most *boner-inducing super-suckers*, no wonder this spicy half-Thai *fist of furry* is responsible for ample amounts of *spent peanut sauce*—most recently courtesy of her own company, shared with ex-rocker/ biker-turned-pro porn actor/ director Evan Seinfeld, a.k.a. Spyder Jones. This porned-up powerhouse of prick-meats-puss have their fingers, and other parts, in *many ples*, both adult and mainstream, and show no signs of stoppin' the *sloppin'!* *The Seduction of Maxine* (2000, this page) features *Tit-a Patrick*; it's like *The Bodyguard*—with *hotter bodies!*

SHE MAKES YA CUM FASTER THAN A SPEEDING BULLET!: "I really got off on having sex with different men. I was afraid it would tear my relationship apart, but if anything, it has brought us closer together." (On being in porn with Evan)

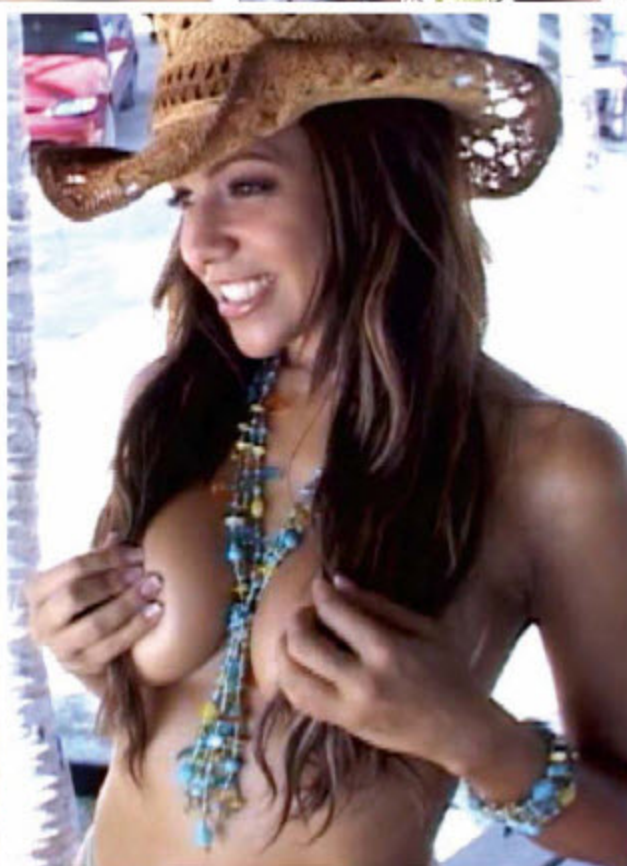

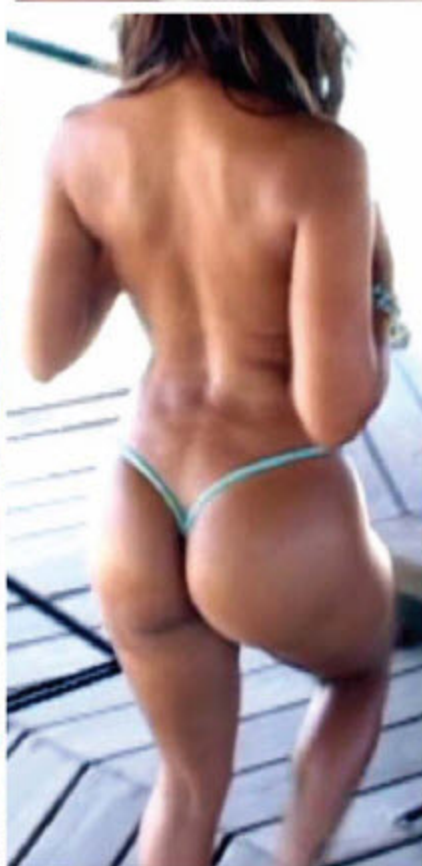

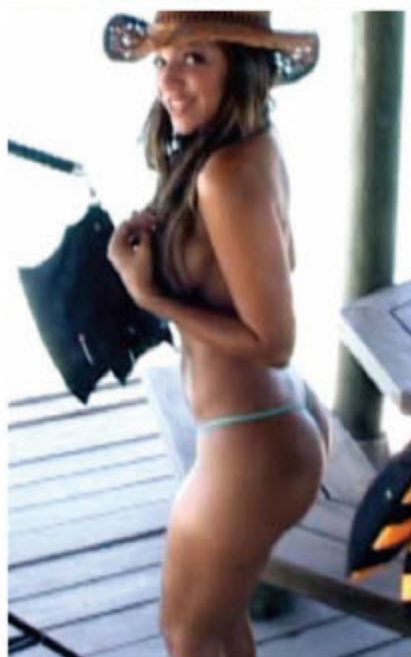

VIDA GUERRA

FROM HER LIPS: "A lot of men out there don't want a girl who's all skinny. They want a voluptuous woman. My curves—particularly my butt—are what I get complimented on the most."

CUBANA MAMA!: A true *SINderella* story, Vida's vixeny vivaciousness came to light via the pages of *FHM*, where after sending in some *cream-churning* candids, Miss G was asked to give her *tantalizing tawdries* international exposure. She hasn't looked back since—and we can't stop looking at her back 'er-upper! After a string of *top-booty*-billed turns in music videos, Vida's vittles are finally household—and *handhold*—faves for *fist-games*!

GET VEINY FOR VIDA: Her ample-for-yo-sperm-sample ass has been lensed for Diddy, Jay-Z, Big Pun & R. Kelly. More Vida make you loco? Peep her *Swimsuit Calendar* (opposite), *Dorm Daze 2* (2006, top) & *Vida Guerra: Exposed* (2006, above).

KATE MOSS

FROM HER POUTY LIPS: "It's just work." (On posing nude)

BOHEMIAN BITTY-BOOBS: Kate started out on a controversial path that she continues to travel. In her teens, when she became "the body" of Calvin Klein, her waifish appearance sparked rumors of anorexia and claims that her super-skinny bod glorified so-called "heroin chic." Today, still a top model & *titty-barer*, Kate continues to create controversy—whether lensed by the paparazzi doing lines of coke in a recording studio, or up to no good with her on/off beau Pete Doherty, the O.D.-waiting-to-happen lead singer of punk/ska/indie band Babyshambles. With Kate, we prefer 69 to white lines!

MAKE MANSAUCE FOR MOSS!: Known as the “anti-supermodel” of the 1990s, Kate lacks the curves of contemporaries like Cindy Crawford & Naomi Campbell—but hardly the *nerve*! We’d very much like to roll our *stones* in her *gathered moss*!

ARM CANDY

COCO

FROM HER LIPS: "My butt of course is a hundred percent au naturel. We'll do tests; [Ice] will let women touch my butt, feel it, grab it, whatever they want to do, to prove that there's nothing in there."

CAUGHT SEXY: This hip-hop video *derrie-xtra* and mag-cover coochie's always on *booty-duty*, whether her *camel-toe* & *bling-blimps* are fleshin' for the flashbulbs or being fiercely squeezed at home by the pimp hands of hubby Ice-T to make some *gang-bangin' bug juice!* Nicole "Coco" Austin loves "payin' da cost" to be bangin' & hangin' with rap's O.G. hardcore boss!

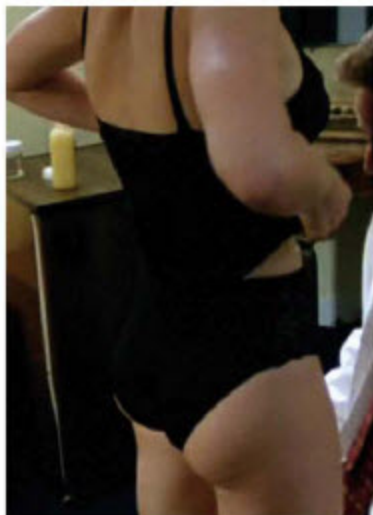

PIMP-HANDIN' DA PIMP-PACKAGE!: Coco's park-it-in-the-rear style refuses to be missed, or dissed! No matter what freaky photoplay Miss Austin chooses next to tout her Texas-sized *tot-teethers*—tongues will swing as hands cock-wring!

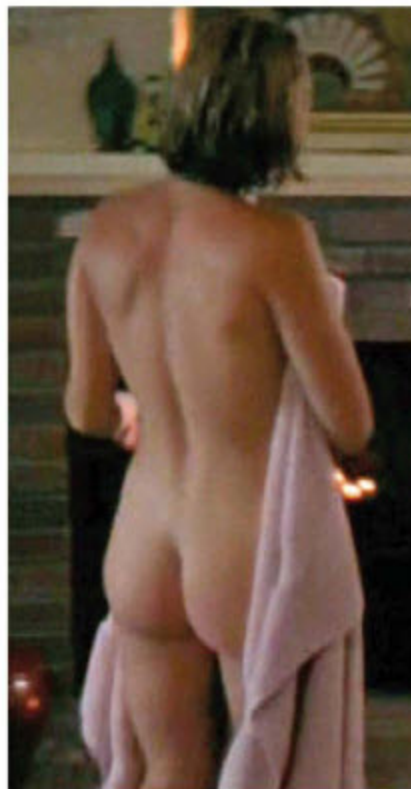

ARM CANDY

AMANDA DE CADENET

SERIAL ROCKER-SEXER!: Blond sex-pixie Amanda first captured the public's a-tits-tion in her native UK as the hard-partying "wildchild" daughter of auto racing legend Alain de Cadenet (Think: London's proto-Paris Hilton circa 1989.)! In 1991, she married Duran Duran bassist John Taylor, with whom she has a daughter. They split in '97, and Amanda did the Durannie one better by wedding Nick Valensi of The Strokes (seen above), and then giving birth to twins that same year. In between husbands, Amanda tried her hand (and glands) at acting! Today, she's a noted *celeb/skin* photographer!

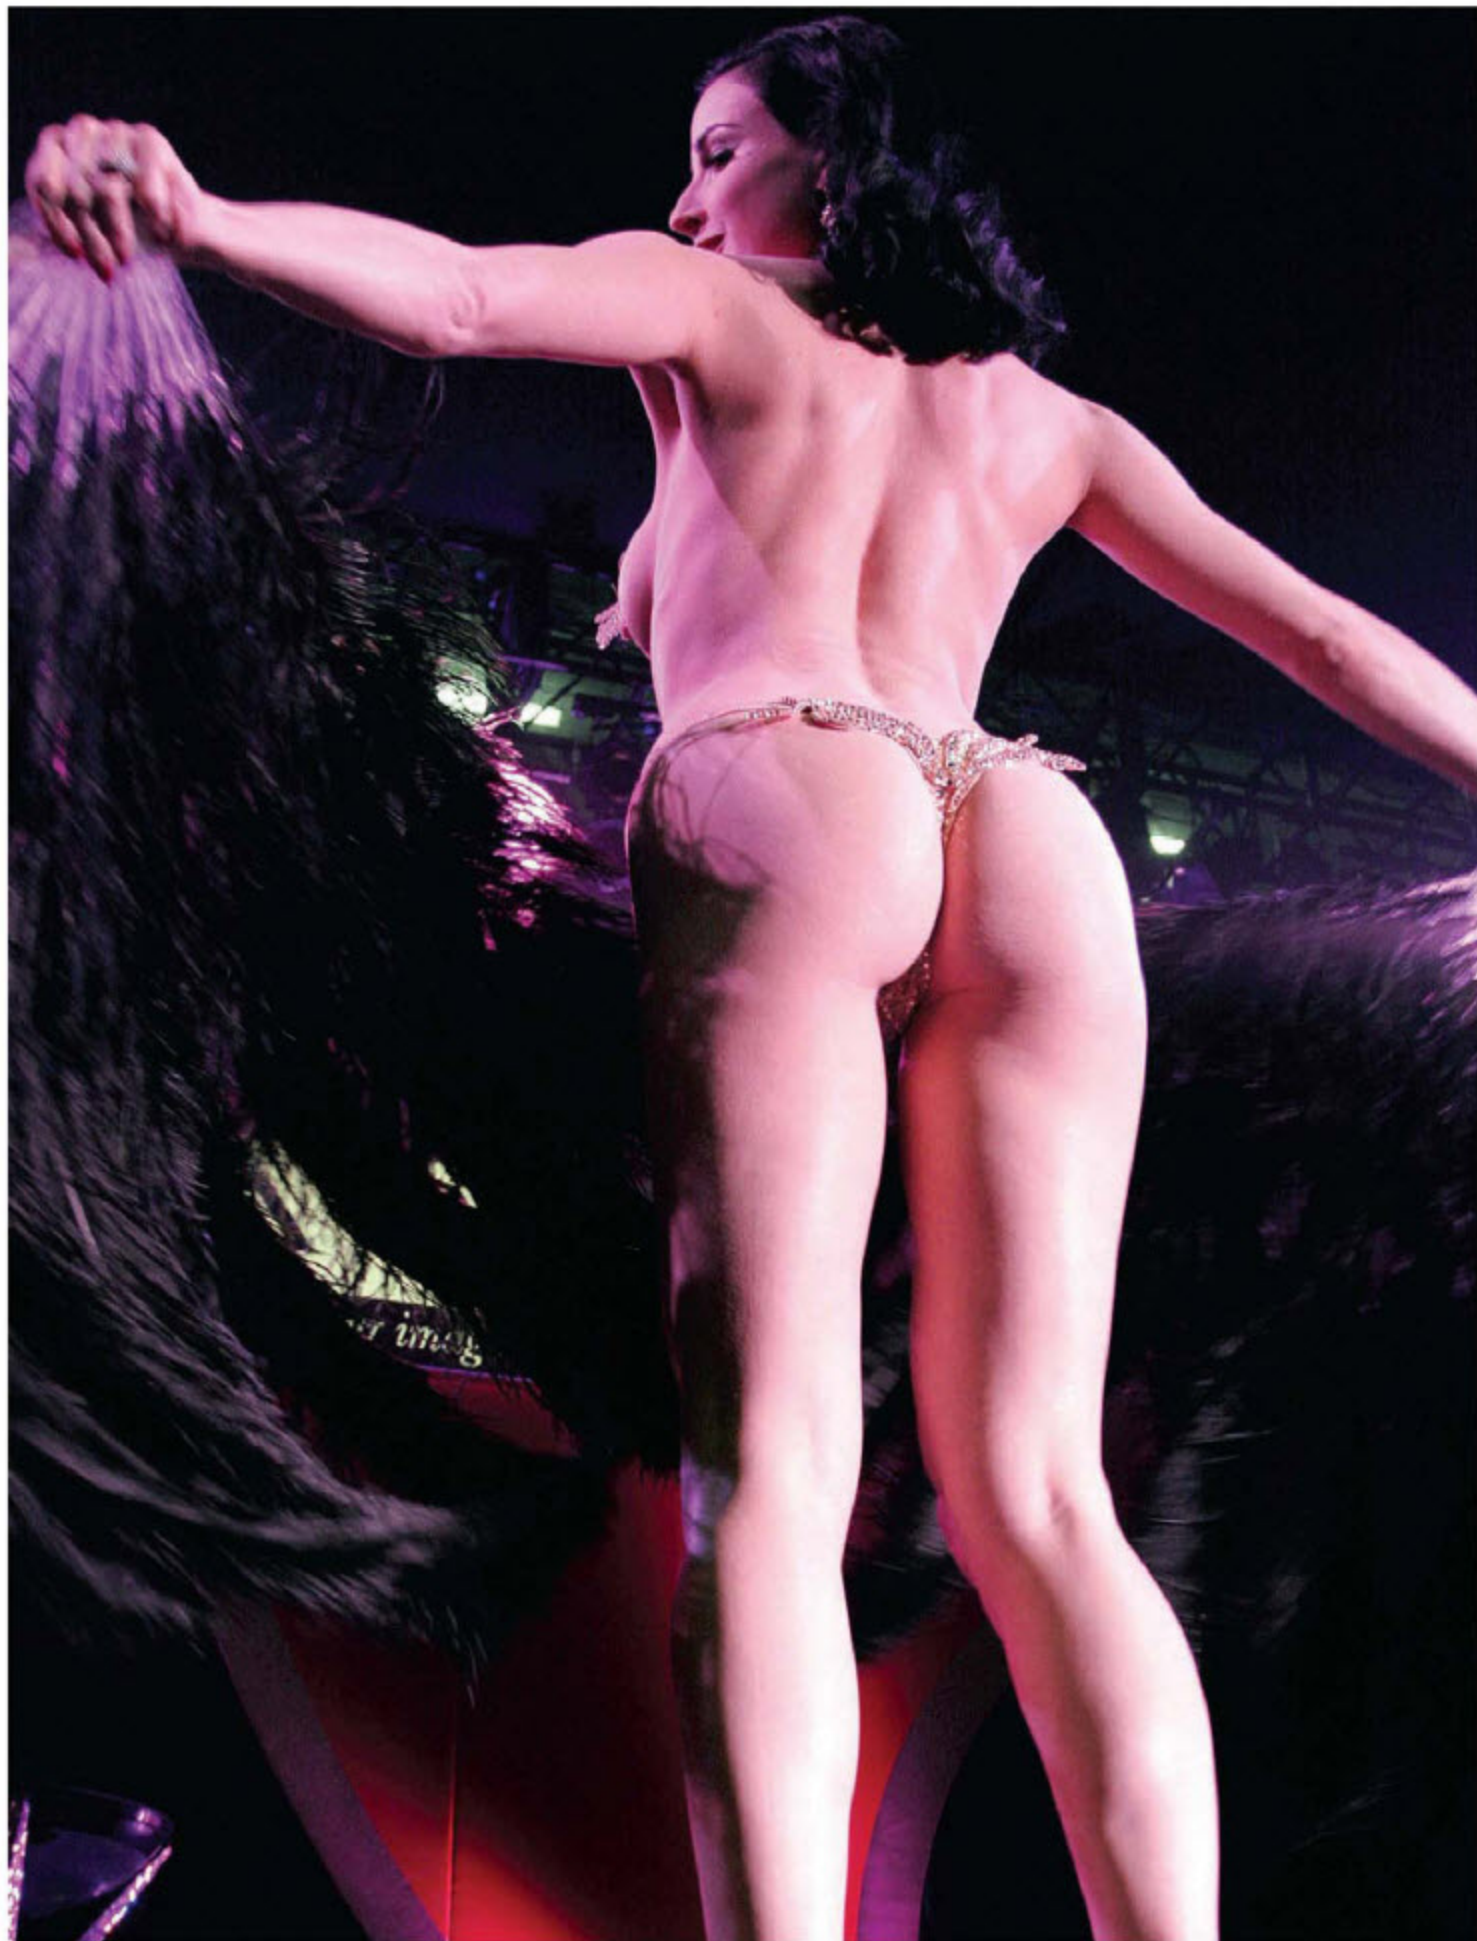

MEATY BALLS+WINE=SHOWER TIME!: In *Mascara* (1999, spread) as Jennifer, in a scene that appeals to both sex addicts & compulsive overeaters, Amanda's full-frontal in the shower, chowing down meatballs and chugging red wine. *Sexy!*

DITA VON TEESE

FROM HER RUBY-RED LIPS: "Some people say what I do isn't very liberating. I say it's pretty liberating to get \$20,000 for 10 minutes work."

VINTAGE VIXEN: Thoroughly divorced from weirdo-rocker Marilyn Manson, old-school glamour girl Dita's ditched the taint of Satan-esque sleaze—and looks much the better for it! Talk about *bombshell-bangable*! This self-described "fancy-pants stripper" made herself an erotic icon by returning to the retro-raunch of classic burlesque, most notably in her *cocks-stand-up-in-approval* stripteases via her "woman in a giant martini glass" routine!

VON TUSH!: *Slush Pix Presents Living Through Steve Diet Goedde* (2005, opposite) features Dita doing what Dita does best: looking luxe-lovely, baring her alabaster *ass-ets*...and workin' the pink-nipple fetish! We wanna *eatta* Dita's pink *puss-pita*!

On that front (literally), Alison Whitney ponies up her own "appealing appetizers!"

THE SEXPLOITERS (1965)

NUDES: Gigi Darlene, Jackie Miller

THE SKINNY: Any full-blown nudie movie from 1965 deserves to be categorized as an historic artifact, and *The Sexploiters* proves to be quite the museum piece...of ass. Shot in glorious black-and-white, *The Sexploiters* explodes with eroticism in the form of its full-bodied female cast. They just don't build beauties like this anymore!
